Bob - I don't know what I would have done without you
in Chemistry 2nd semester! Thanks / SADS! If I only
knew what I was doing! Good luck in '73.

Bob - Don't get lost in thought about Bonnie or any other girl
because you're not the type. Good luck this summer. "Fingers"

Was it today, yesterday, or has it yet begun? Some know and others are still searching. How does one know when their lives really begin? Now should be the beginning because you are the present, and everything that is done revolves around you.

Life is a lot of do's and don'ts, wanting and not wanting, having and not having. Which will it be?

Each new day gives you a chance to start over, but in what direction?

Life begins when the people you meet become friends and not foes.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Life is made up of small comings and goings. And for everything we take with us, there is something that we leave behind. In the Summer of '42 we raided the Coast Guard Station four times. We saw five movies and had nine days of rain. Benjie broke his watch; Oscy gave up the harmonica. And in a very special way, I lost Hermie, forever.

For some seniors, their lives begin when they:
Graduate
Get out of Newark
Get out of college
Turn eighteen
Now!!
Find out where they are going
Become successful, at last
Tomorrow maybe
Are close to someone they love
Find themselves a free person to choose between
right and wrong.
Find people looking at them for what they are and
not for what people want them to be.

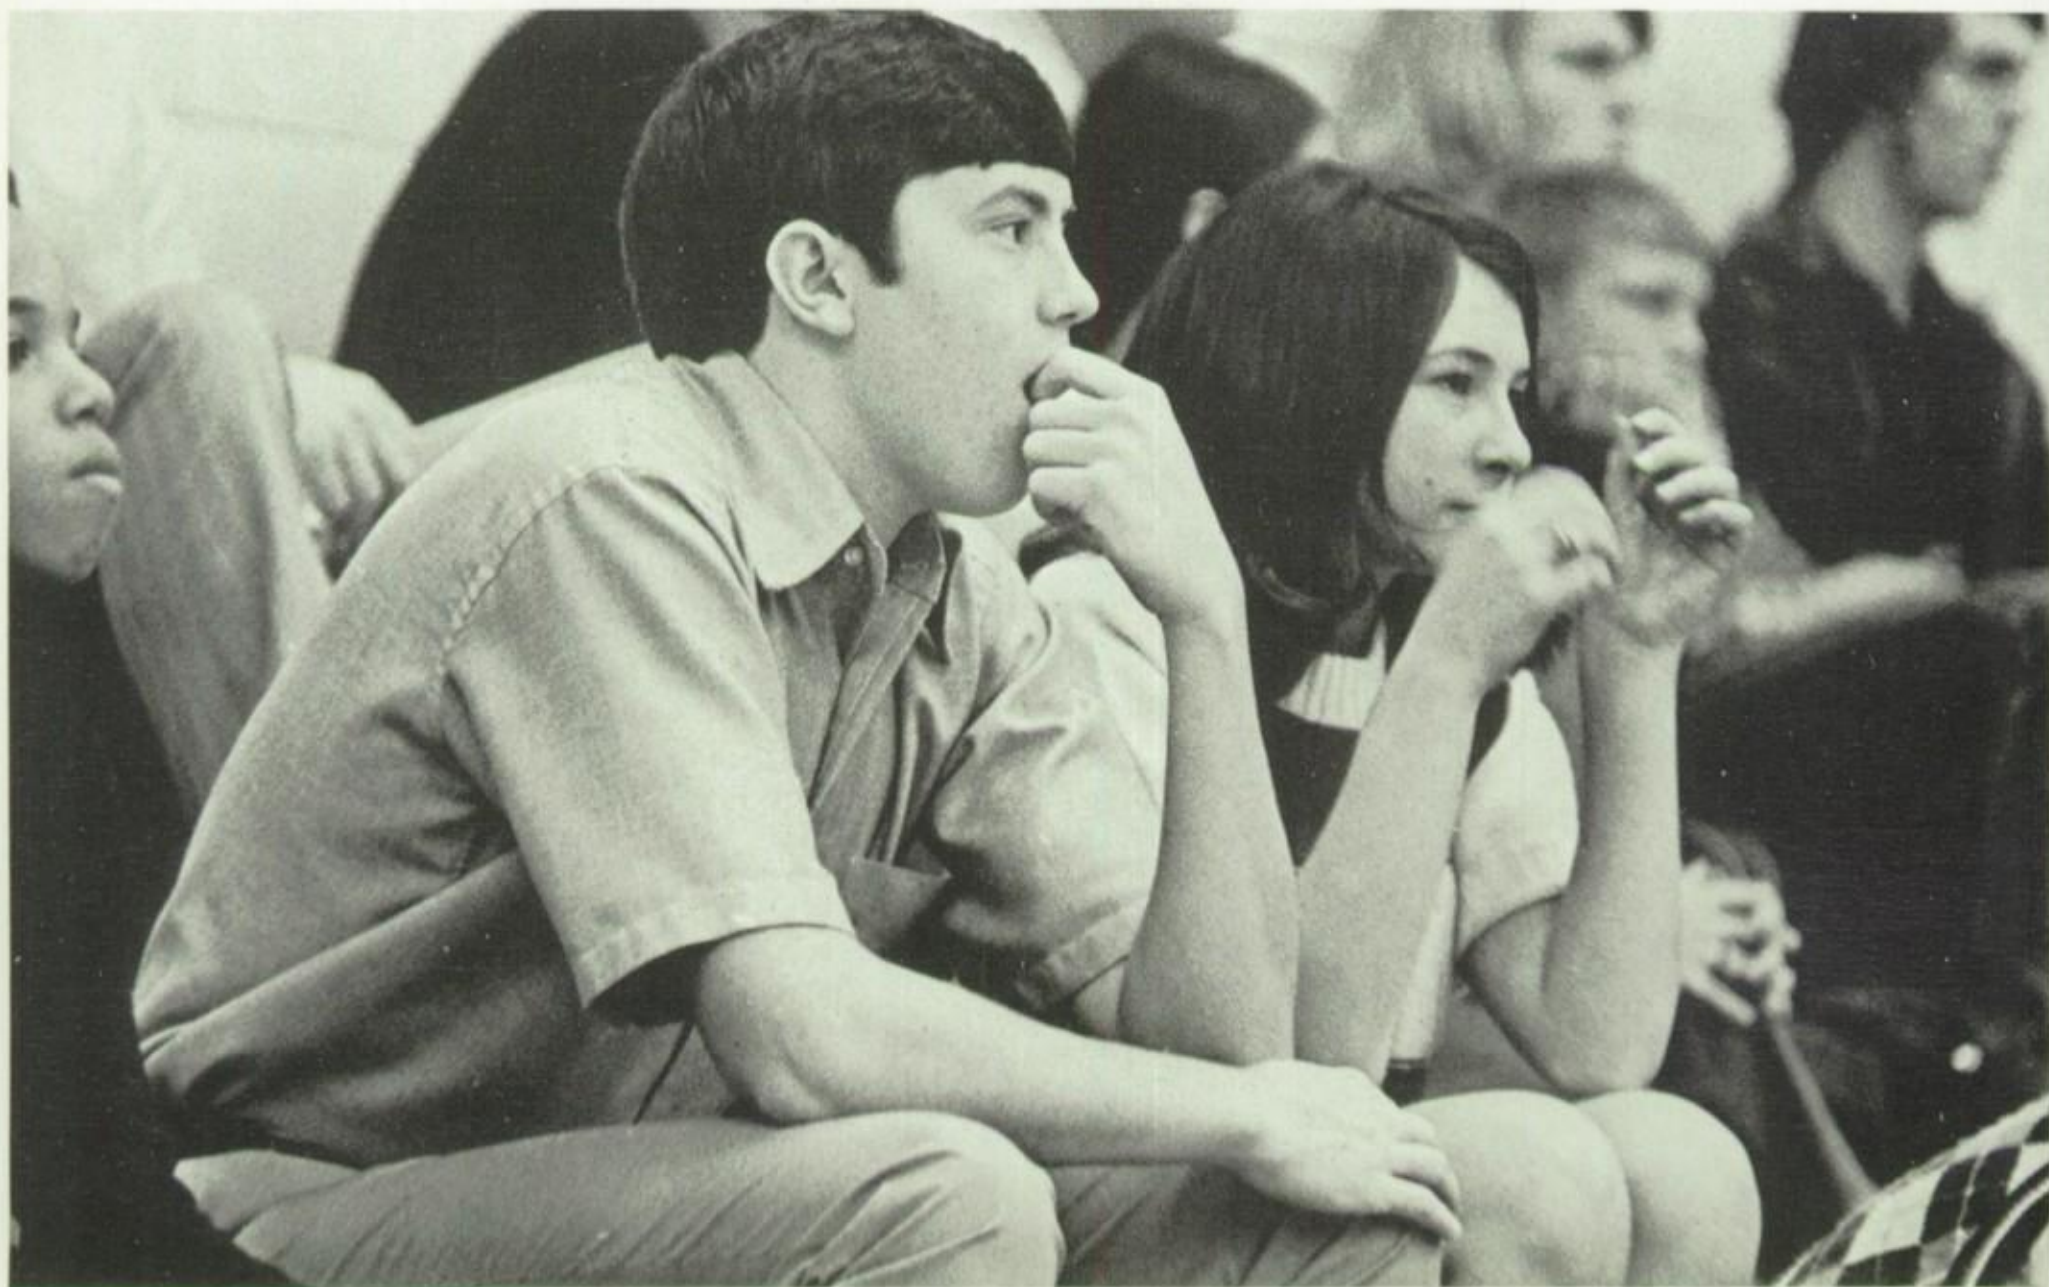

You are like a light, in that neither will shine unless someone cares.

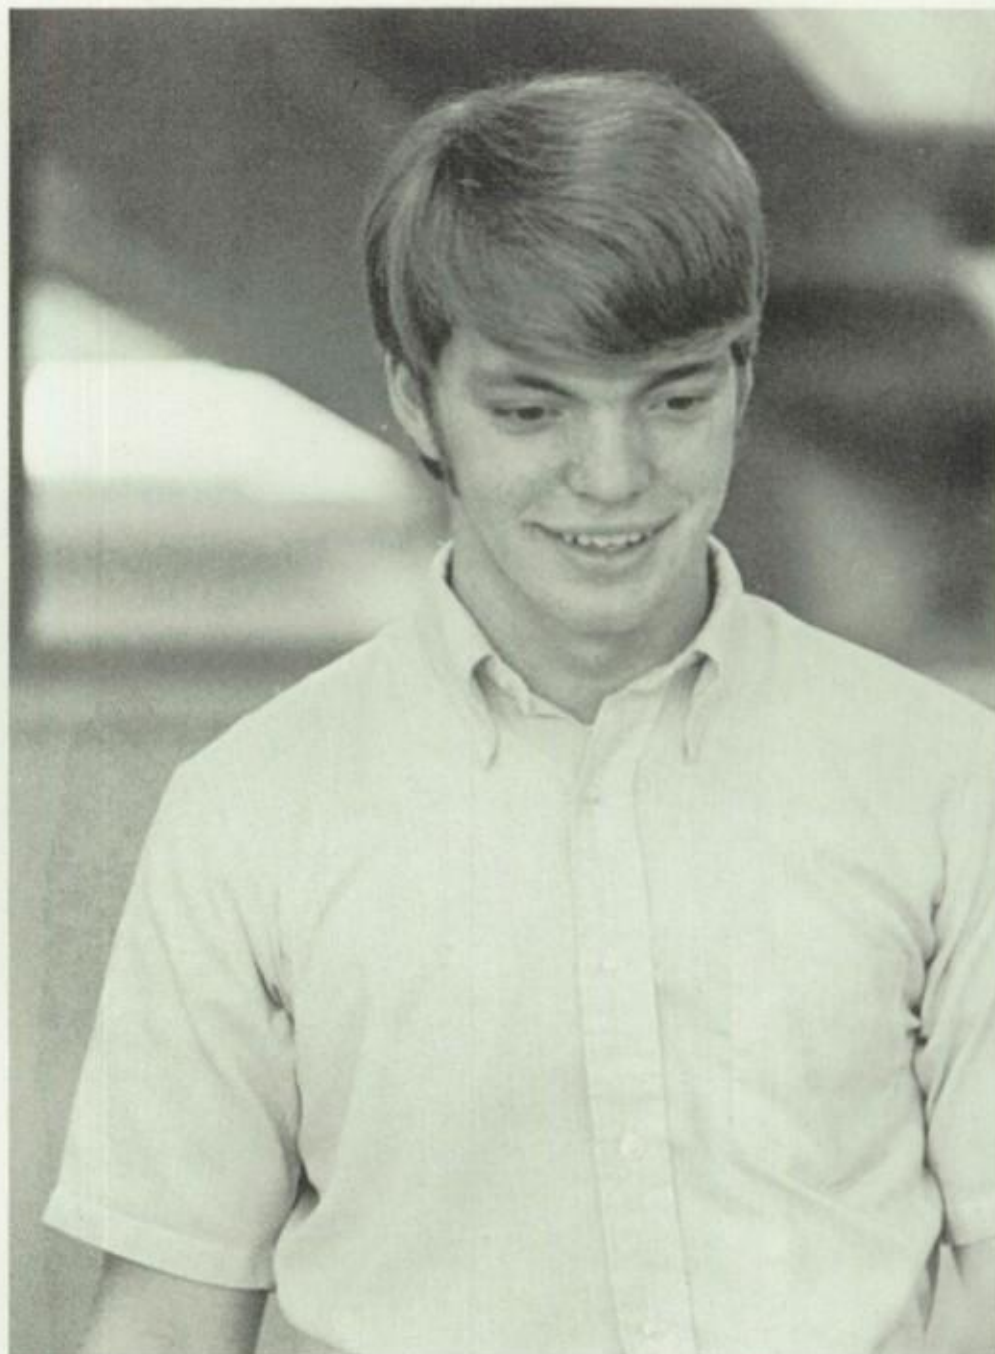

Some people tear a world apart,
others put it back together.

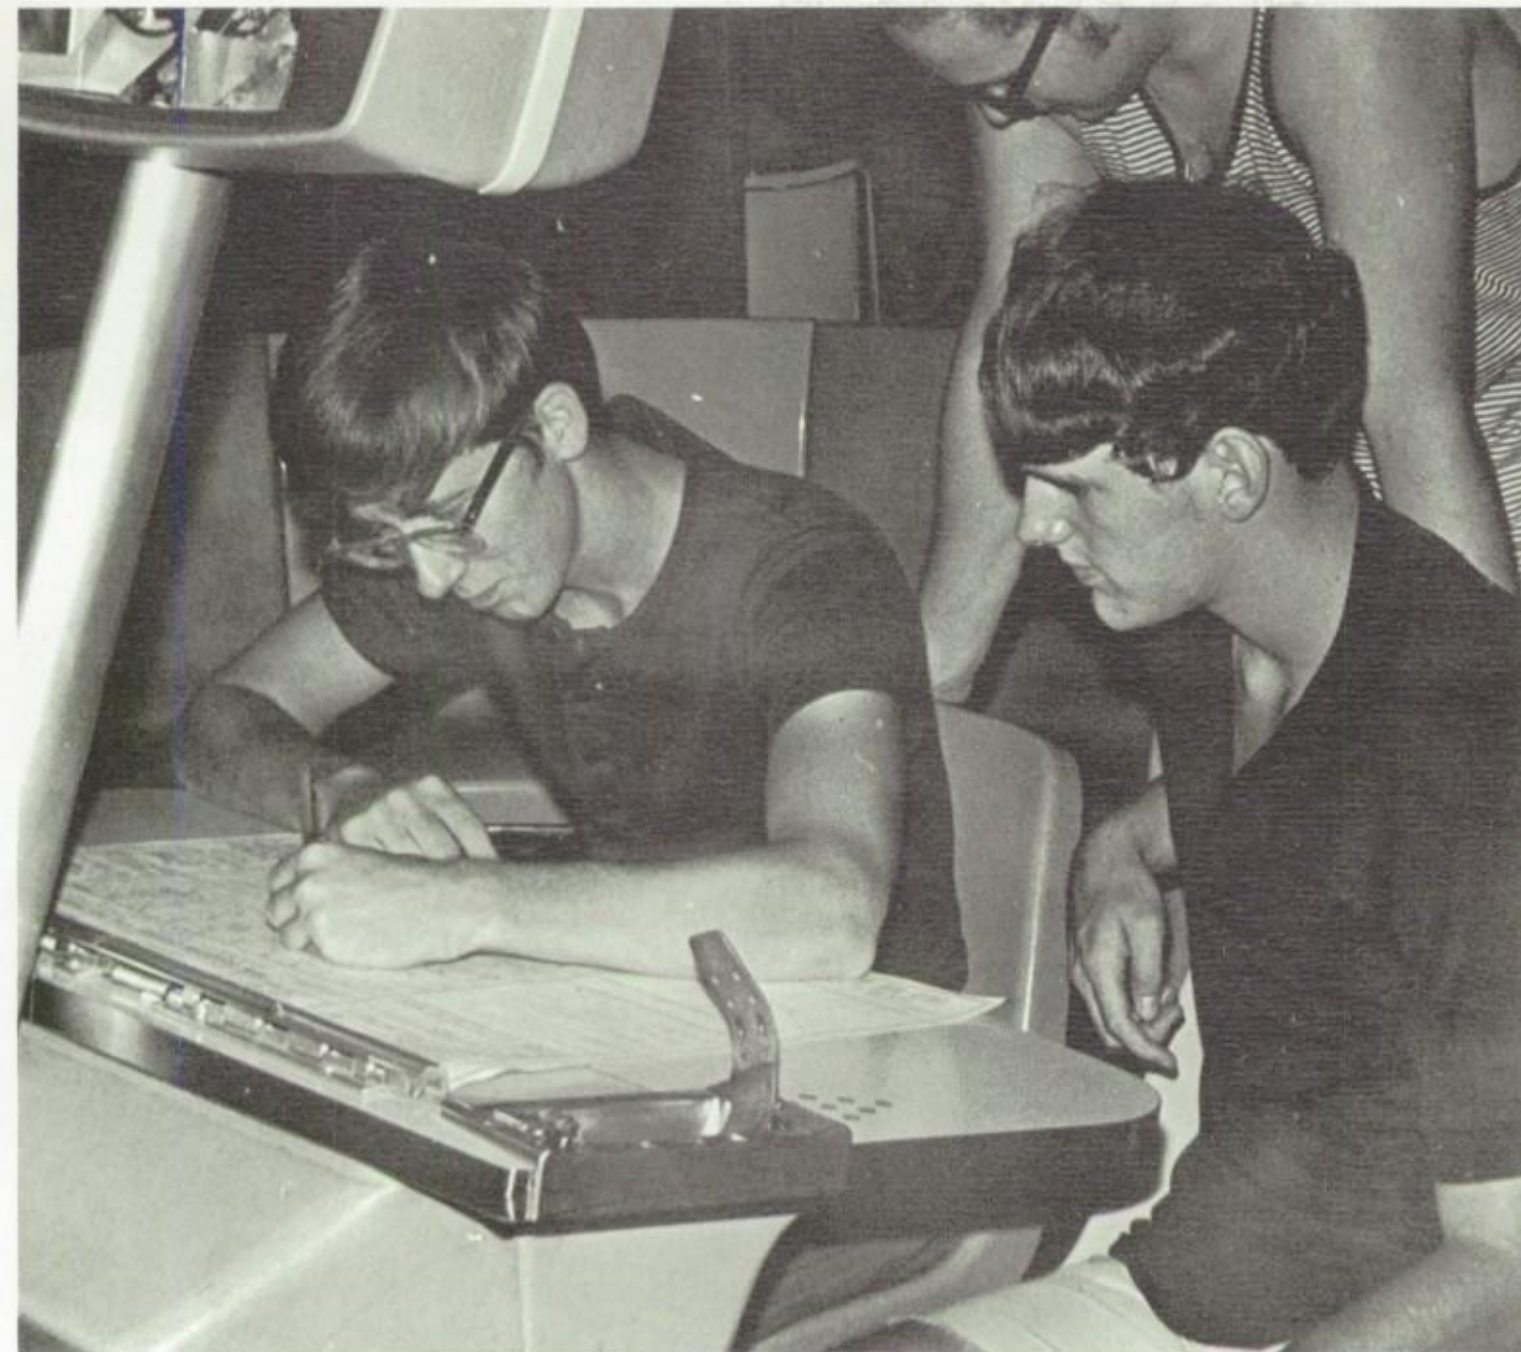

Everything is alright,
once you understand.

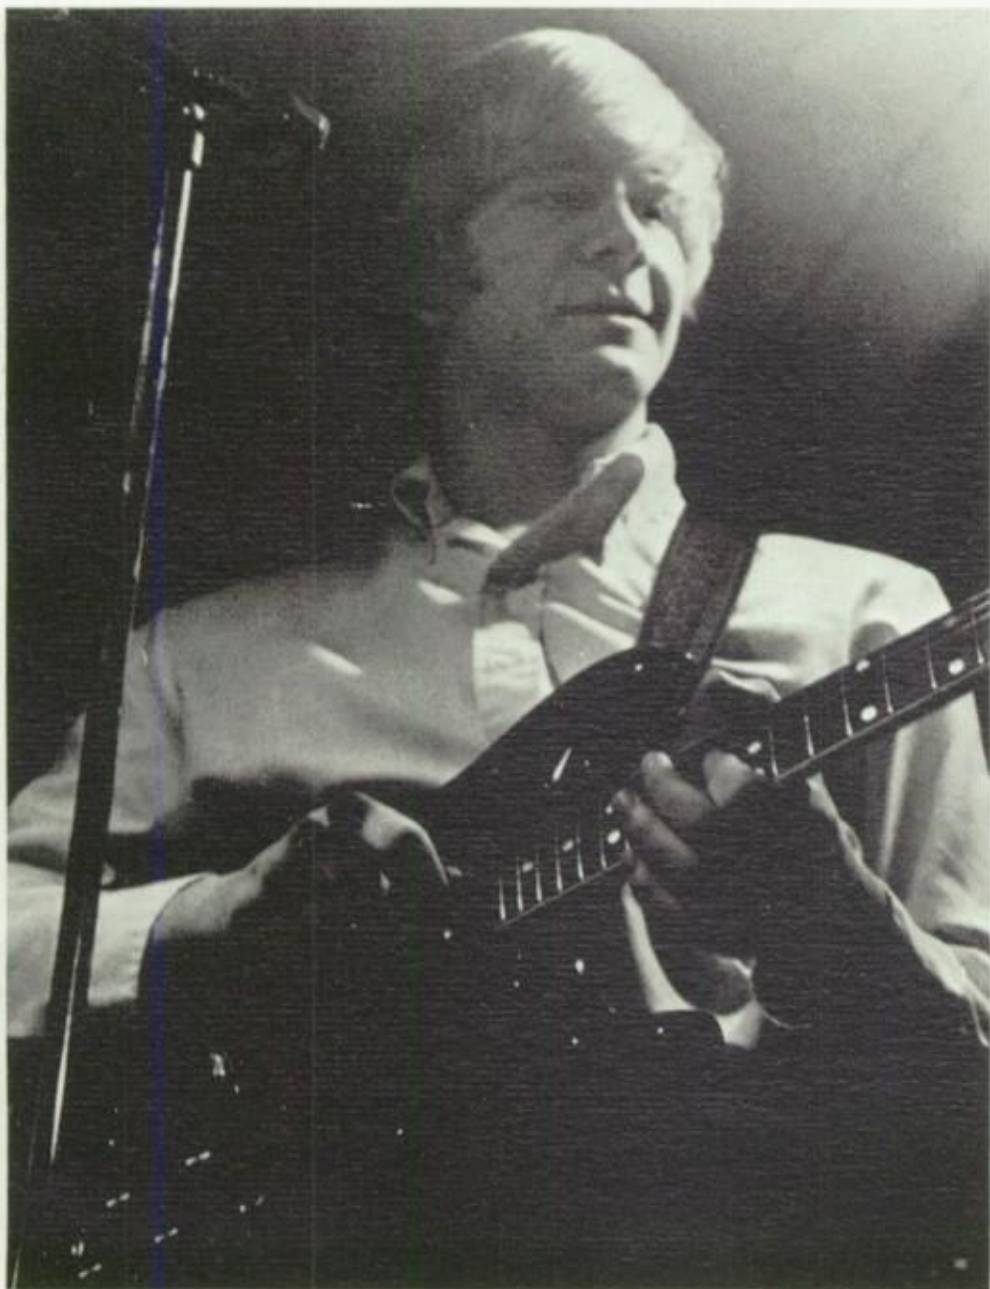

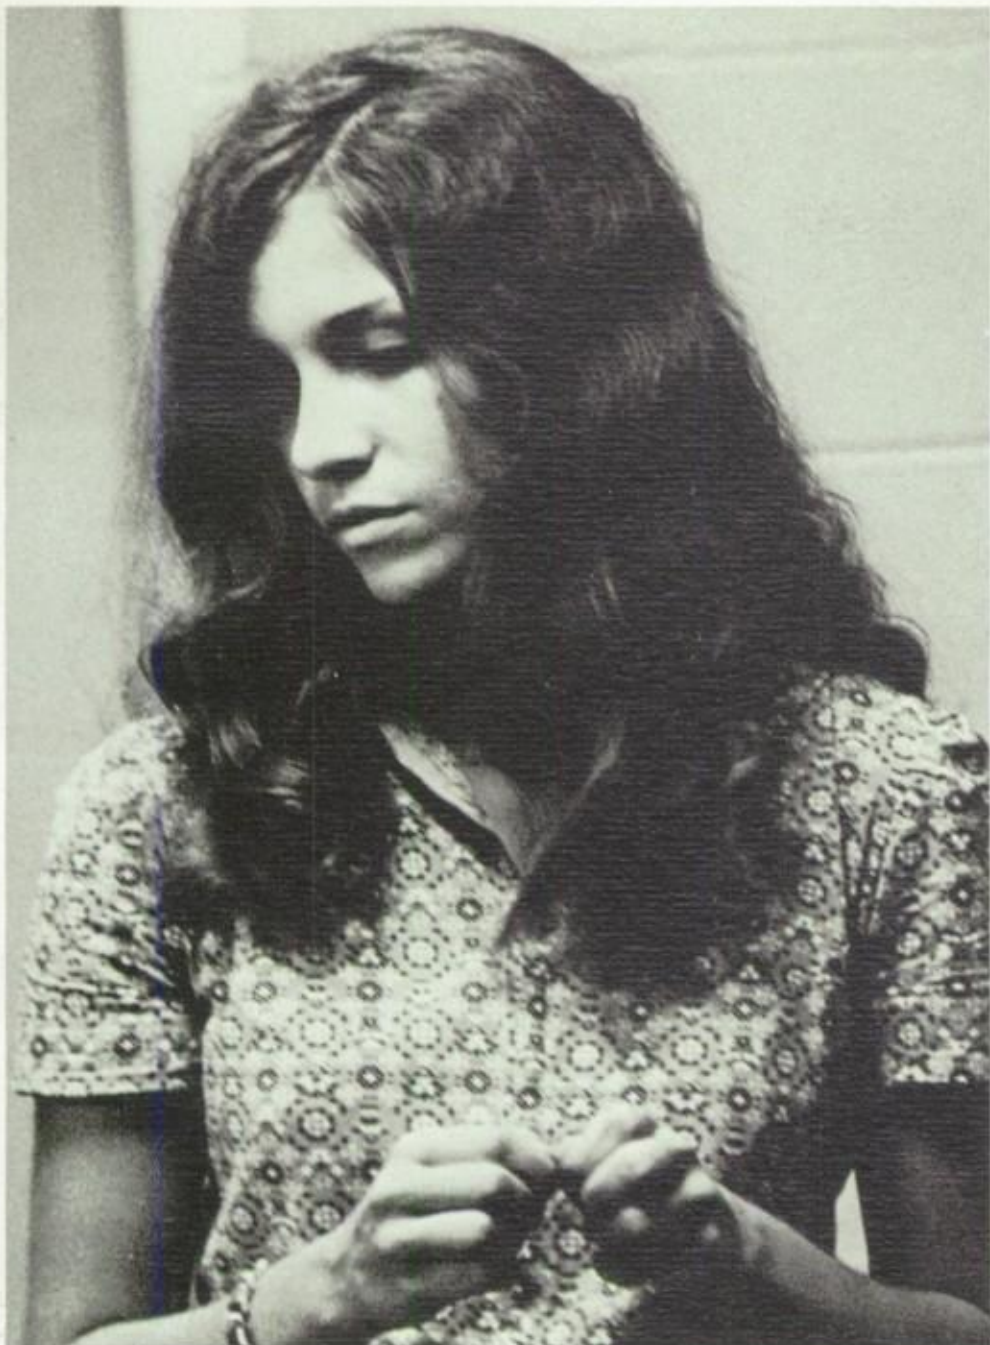

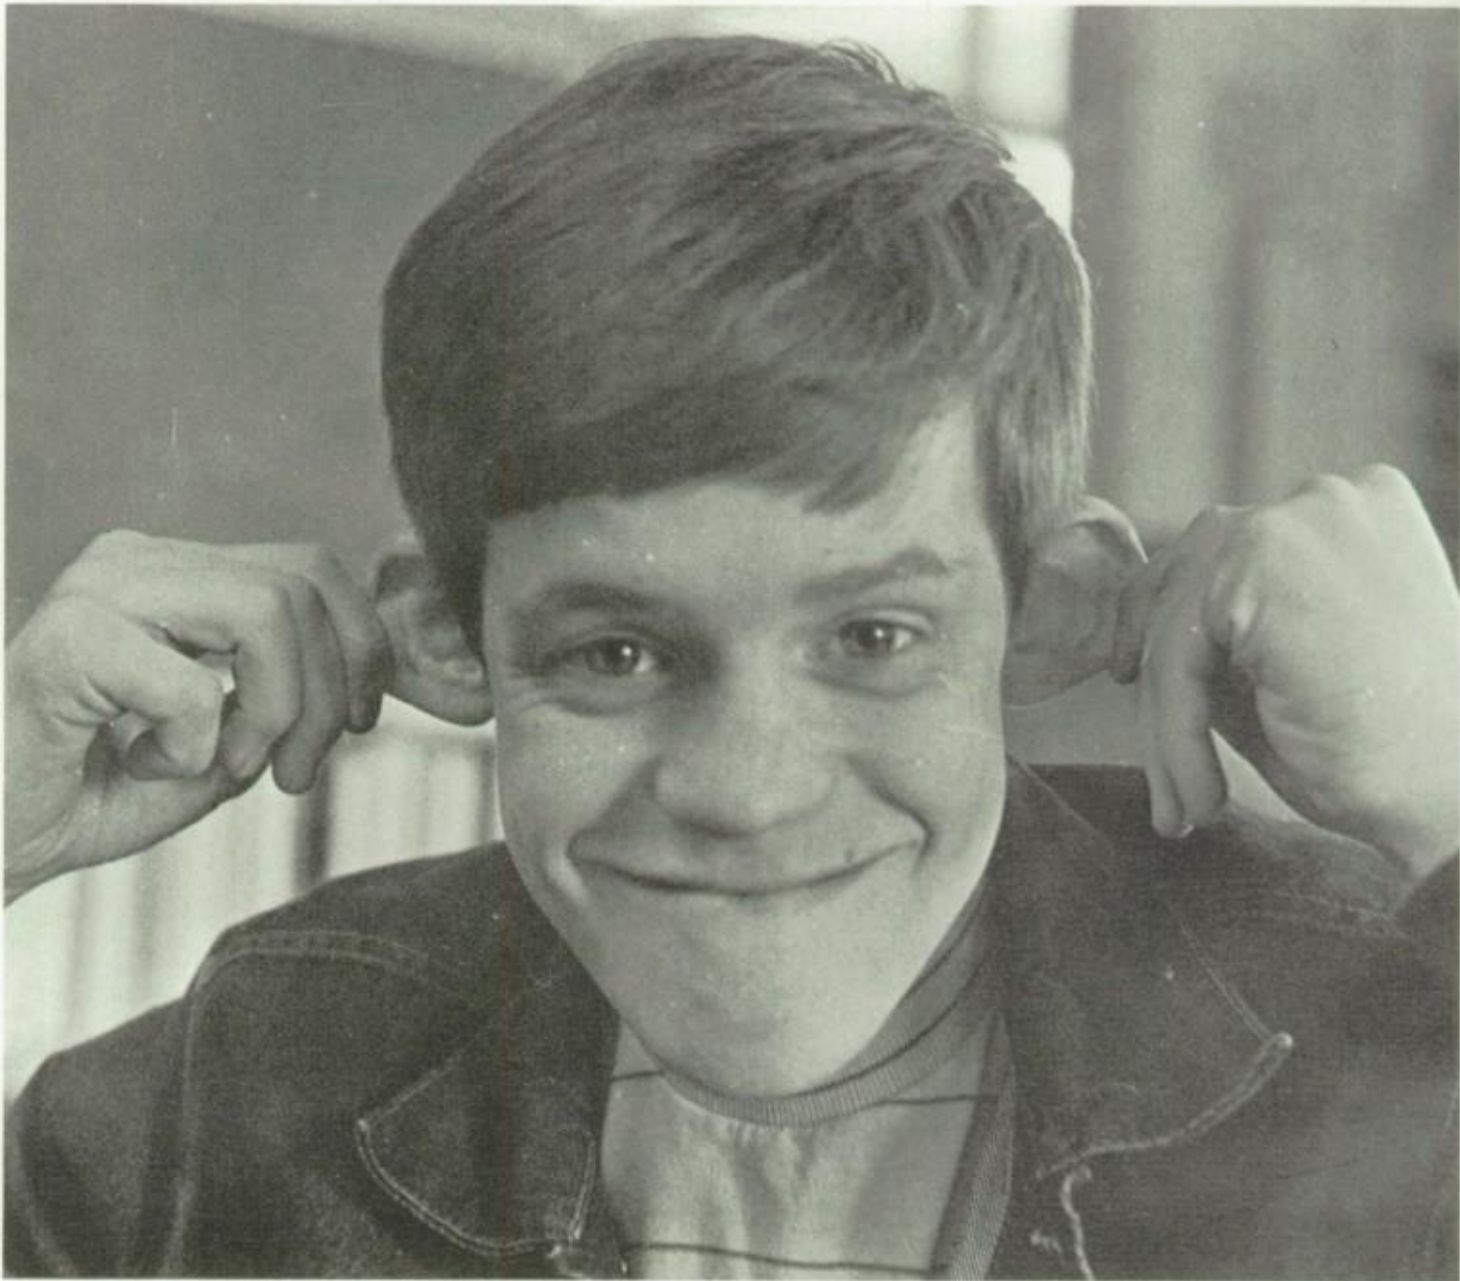

Your time here is limited. Do something!

Even if you can't change what is,
you can try to live with it.

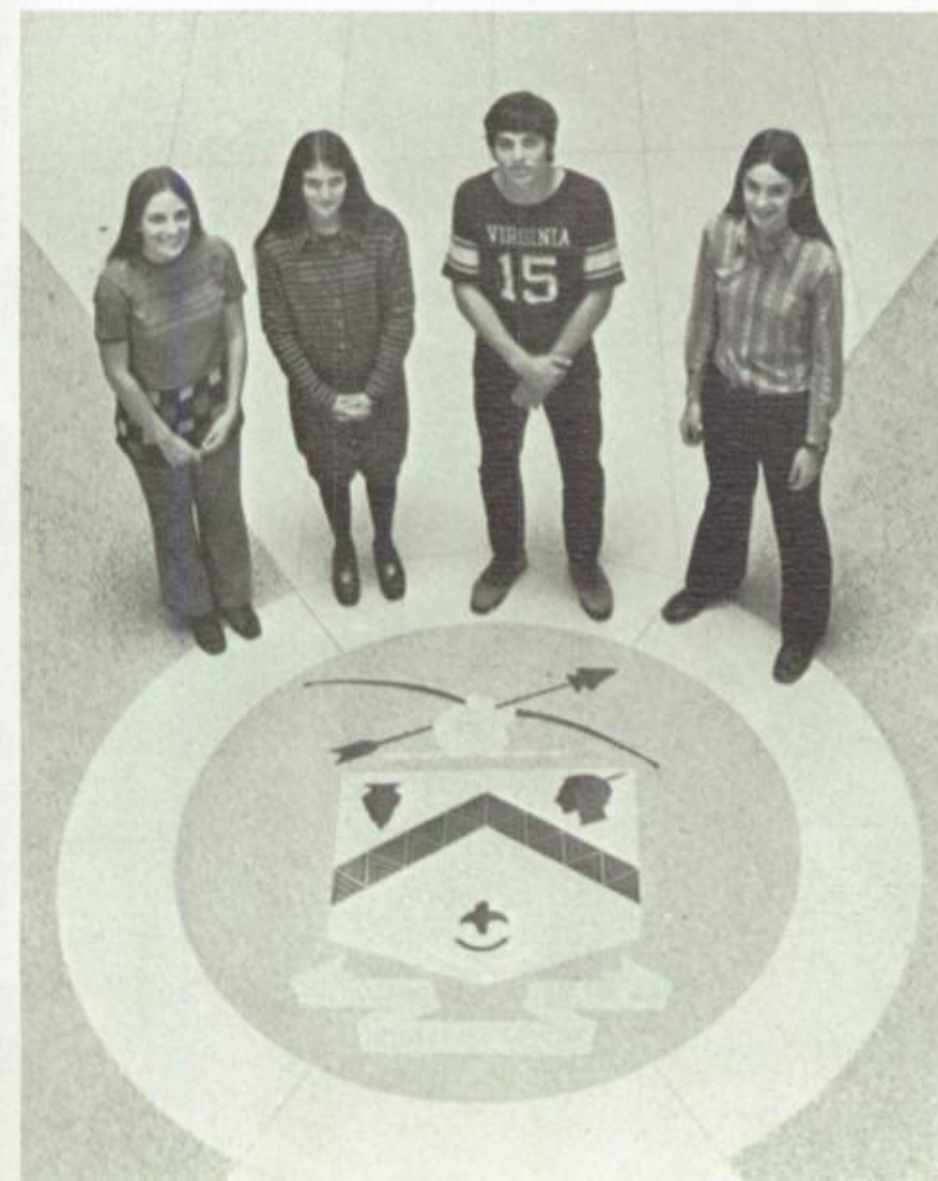

Why are there groups of people
who don't accomplish anything
while there are individuals who
could accomplish something?

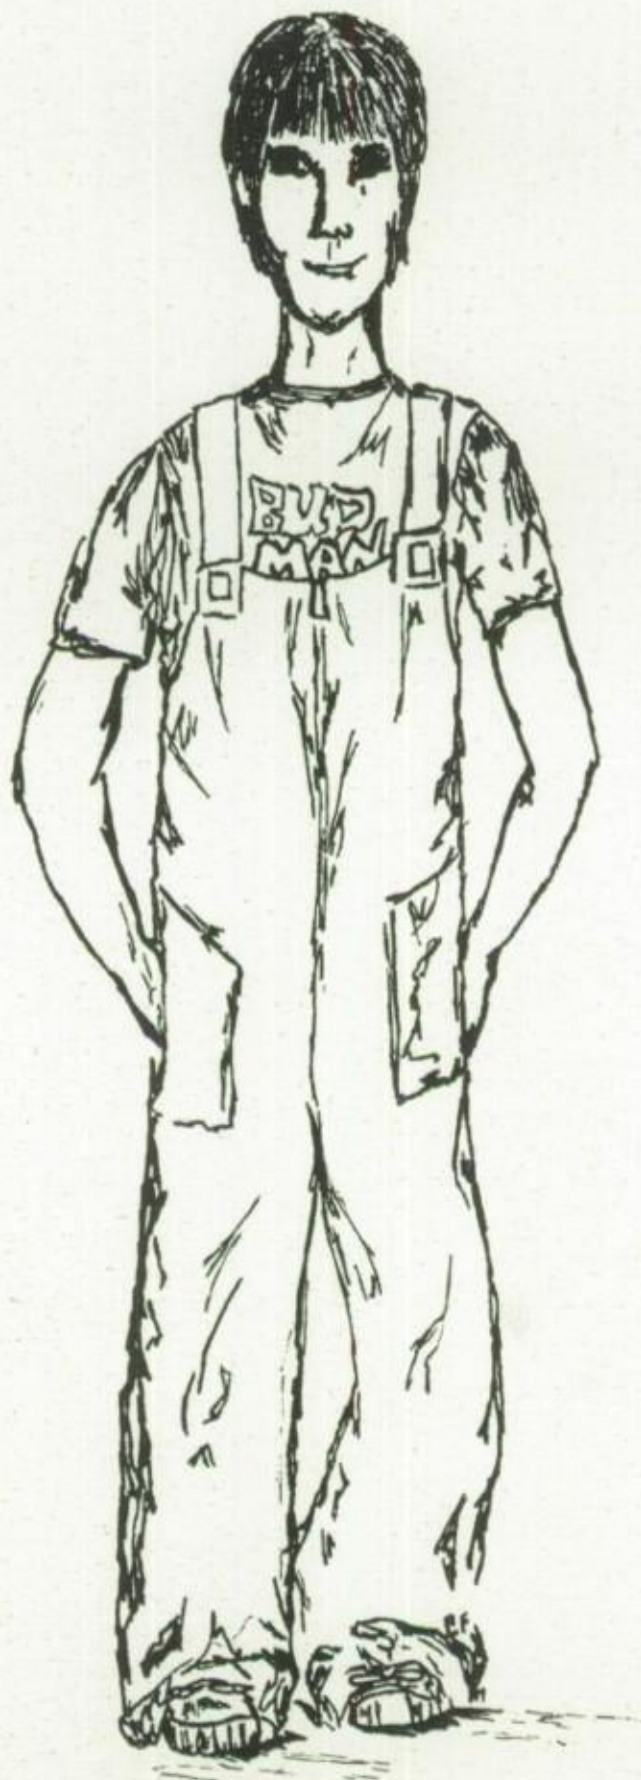

Why
do we ask

Senior Class Officers: President Greg Robertson; Vice President Becky Koffel; Secretary Jill Miller; Treasurer Rita Ashcraft. Senior Class Council: Tom Barrett, Lindsay Burge, Cindy Bowden, Robin Coelho, Larry Crane, Marcia Eubanks, Keith Dewey, David Faust, Gloria Gerber, Teri Good, Gary Hanbaum, Bev Irwin, Ron Johnson, Diane Kendall, Dan Matheny, Fifi Martin, Steve McCrillis, Pat Moore, Gary Orsborn, Miki Payne, Shane Porter, Sarah Reese, Kathy Rusk, Becky Shuster, Cecil Snow, Randy Spiker, Lonni Thompson, Dave Vanoy, Grace Williams, Mike Yeakley, Barb Wright, Becky Myers, Rita Scaffide.

Good luck always tho you

Your life might start:

Every weekend

When you get your driver's license

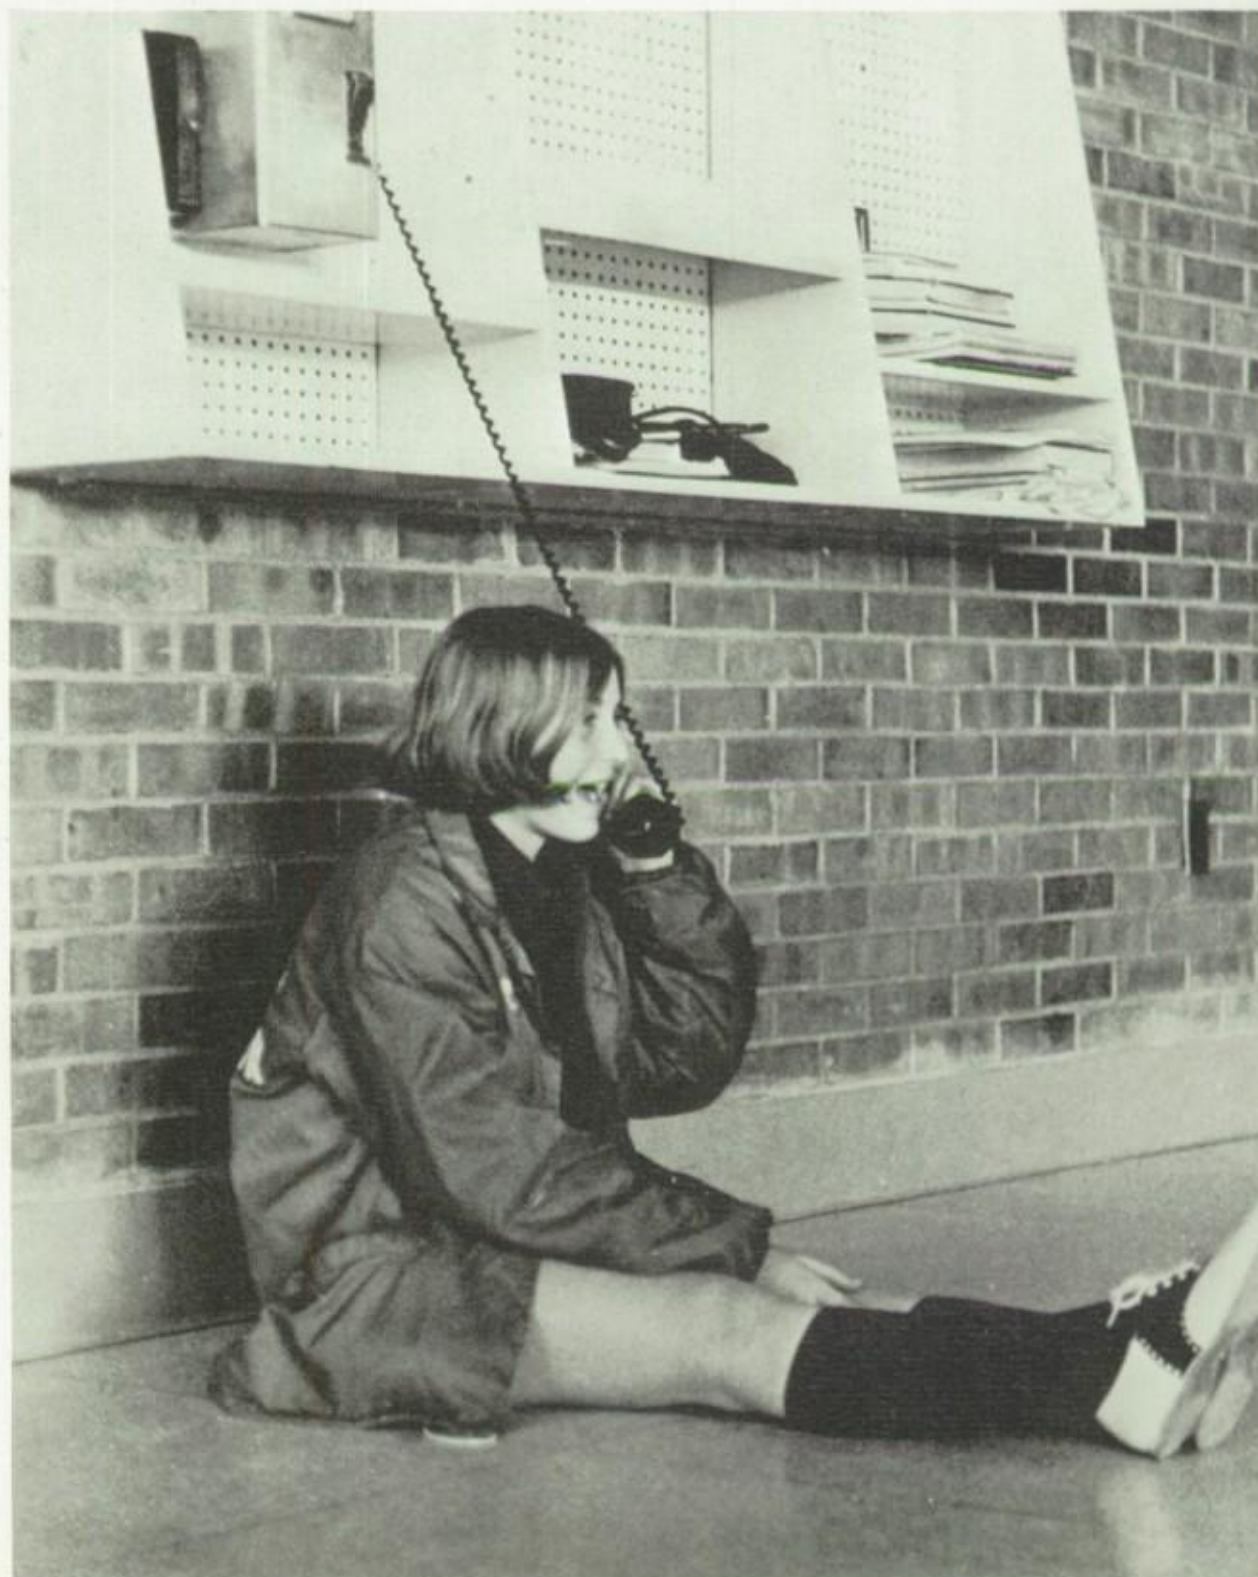

The Saturday morning you wake up with-
out a hangover

Finding your true goal in life

The day people look at you for what
you are and not for what they want
you to be

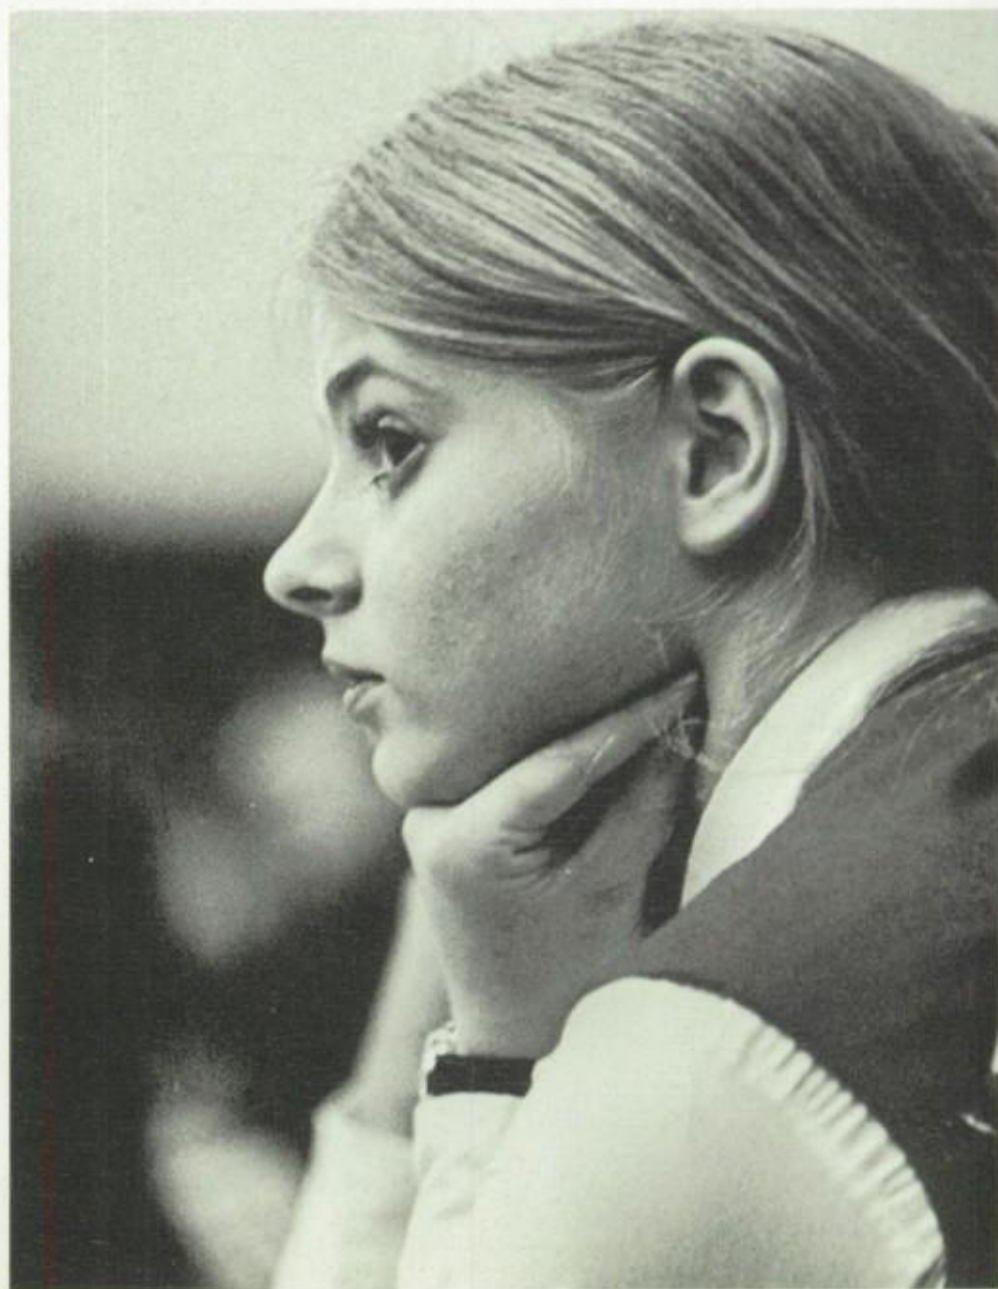

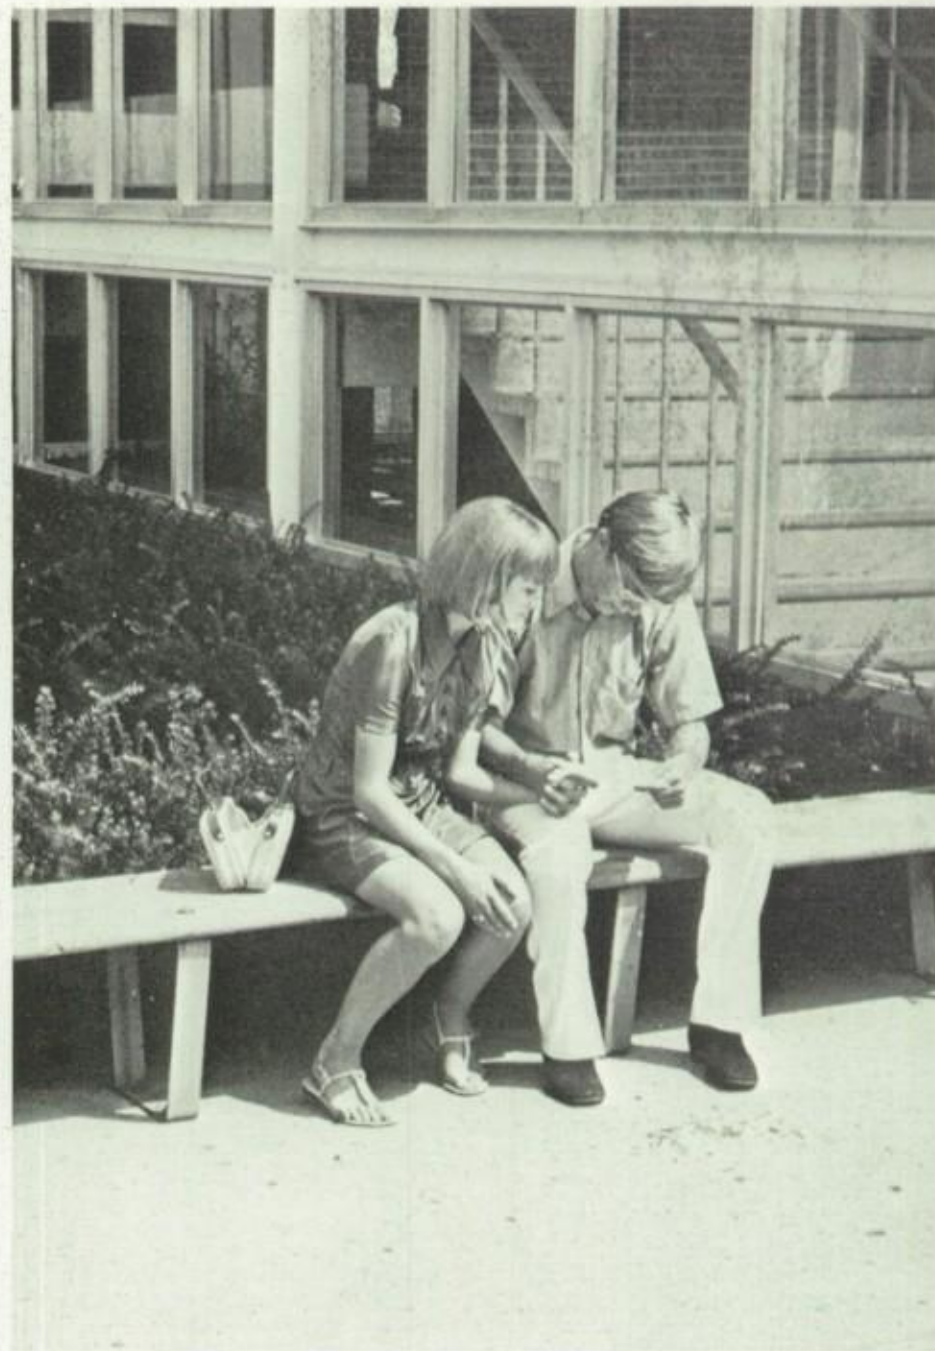

The Monday morning you wake up and
everything is going great.

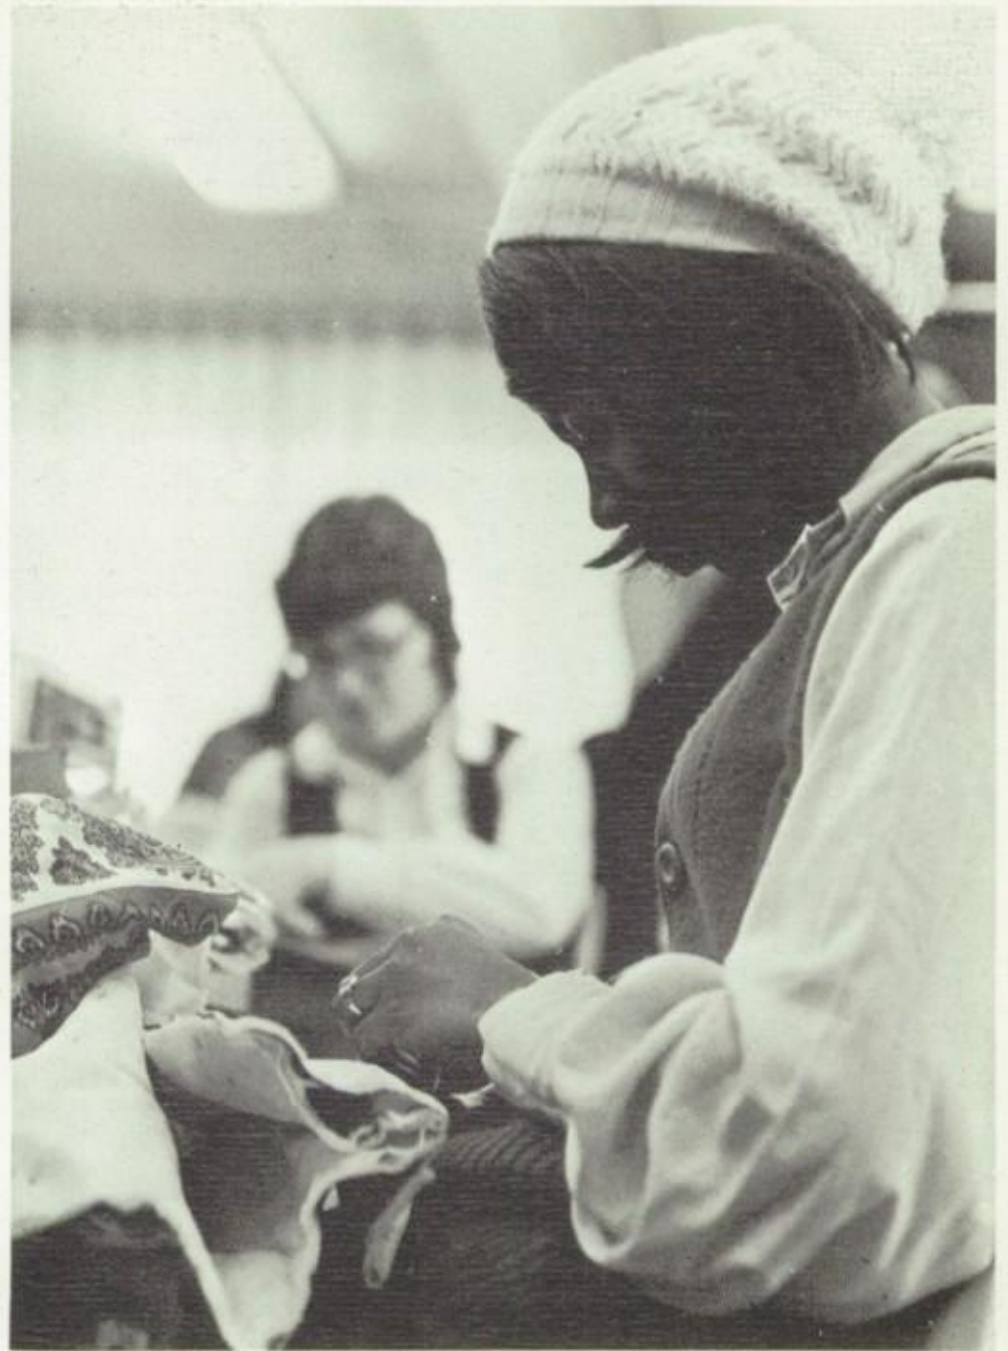

Each day needs to be evaluated as it
could be the key to the future and
your first day.

Life is great! Live up to your goals and expectations.

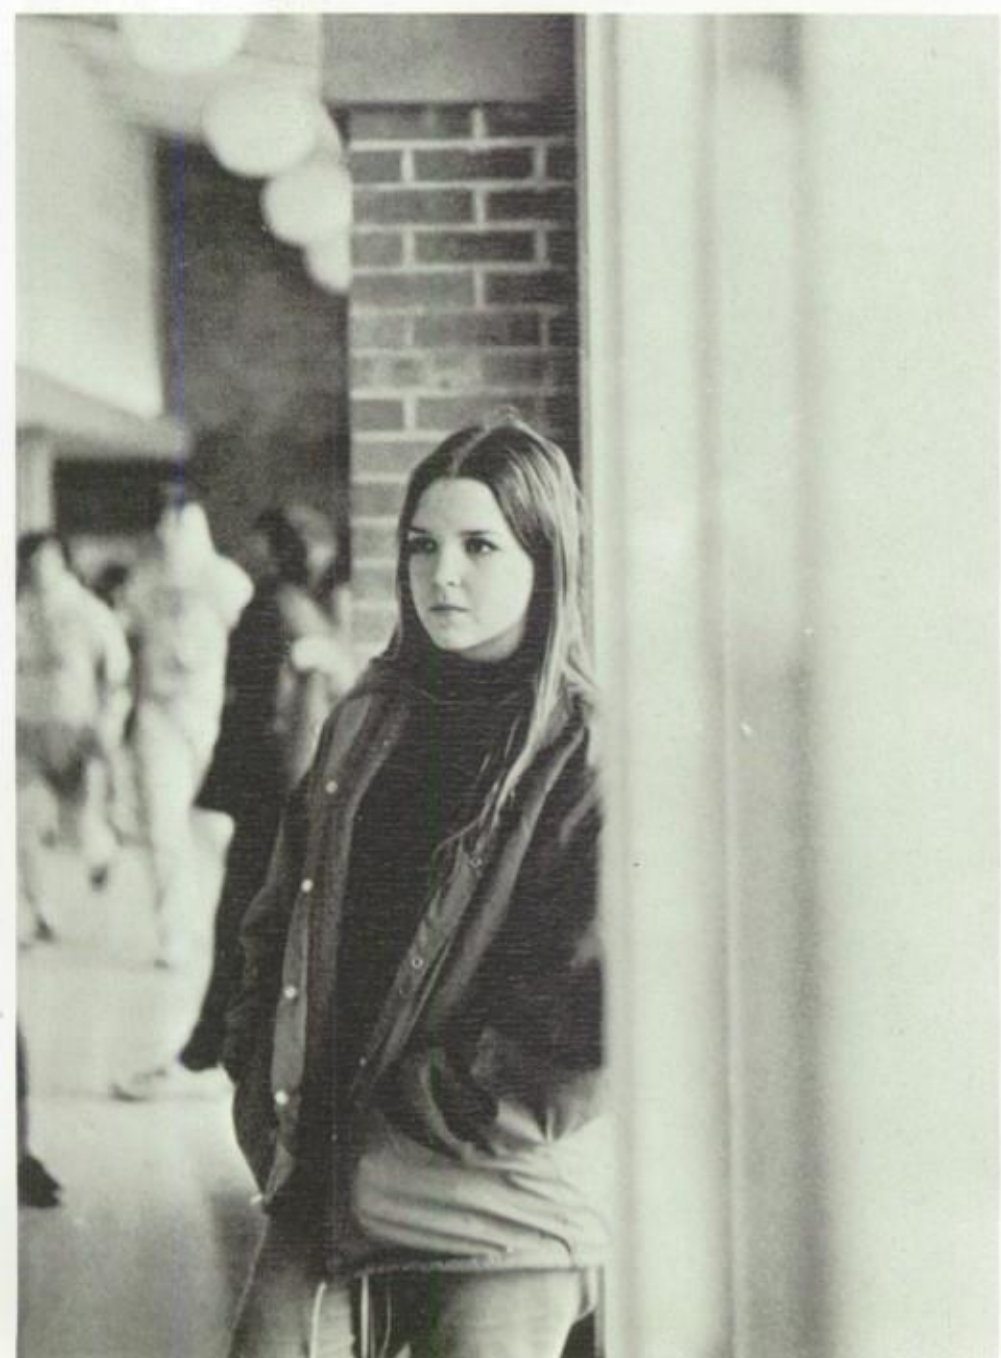

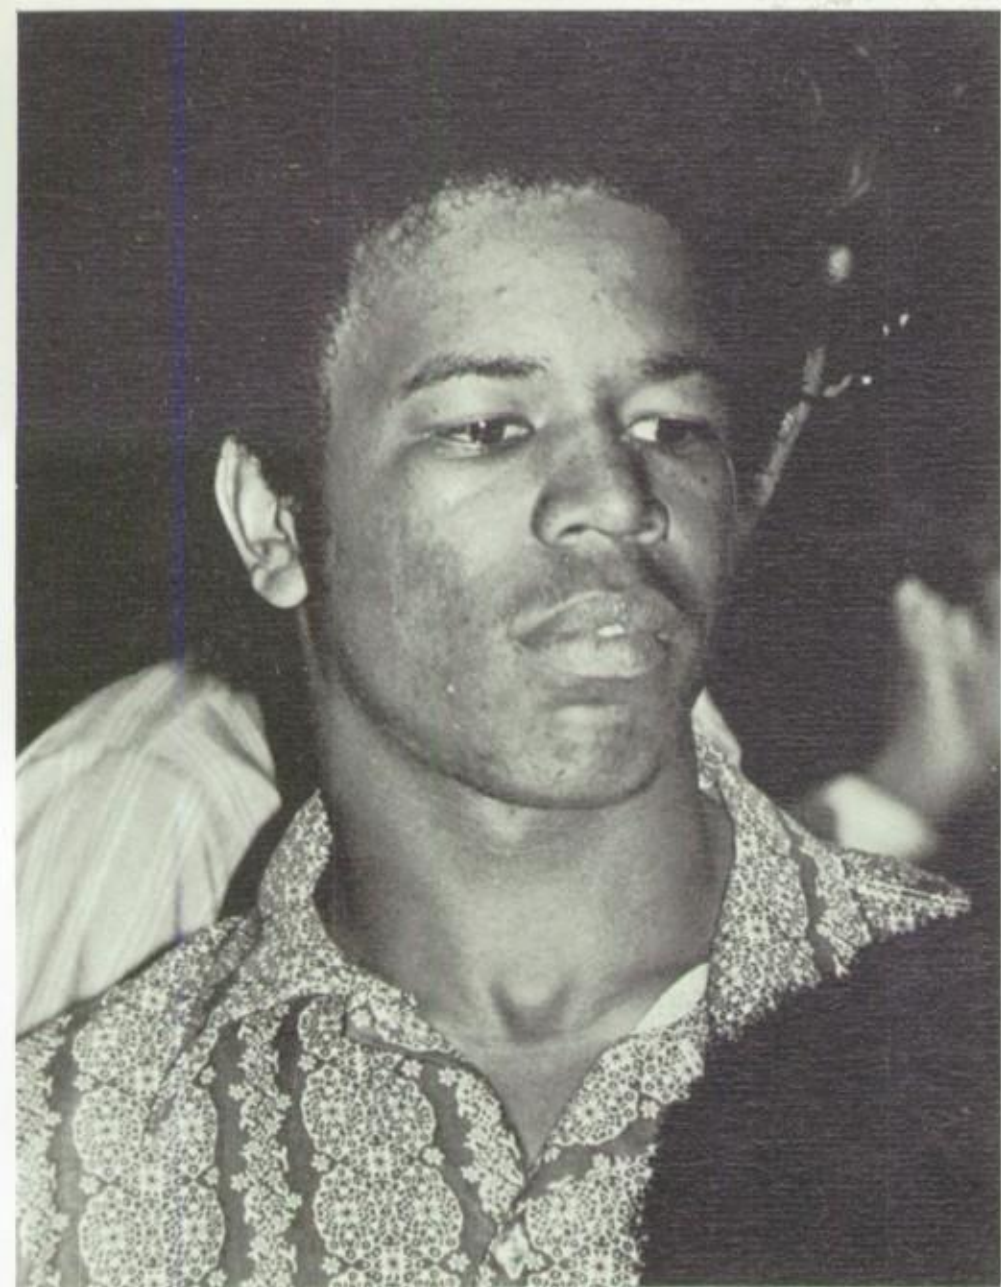

Will you ever use all that you've
learned?

Time, energy and money are
wasted if nothing is
accomplished.

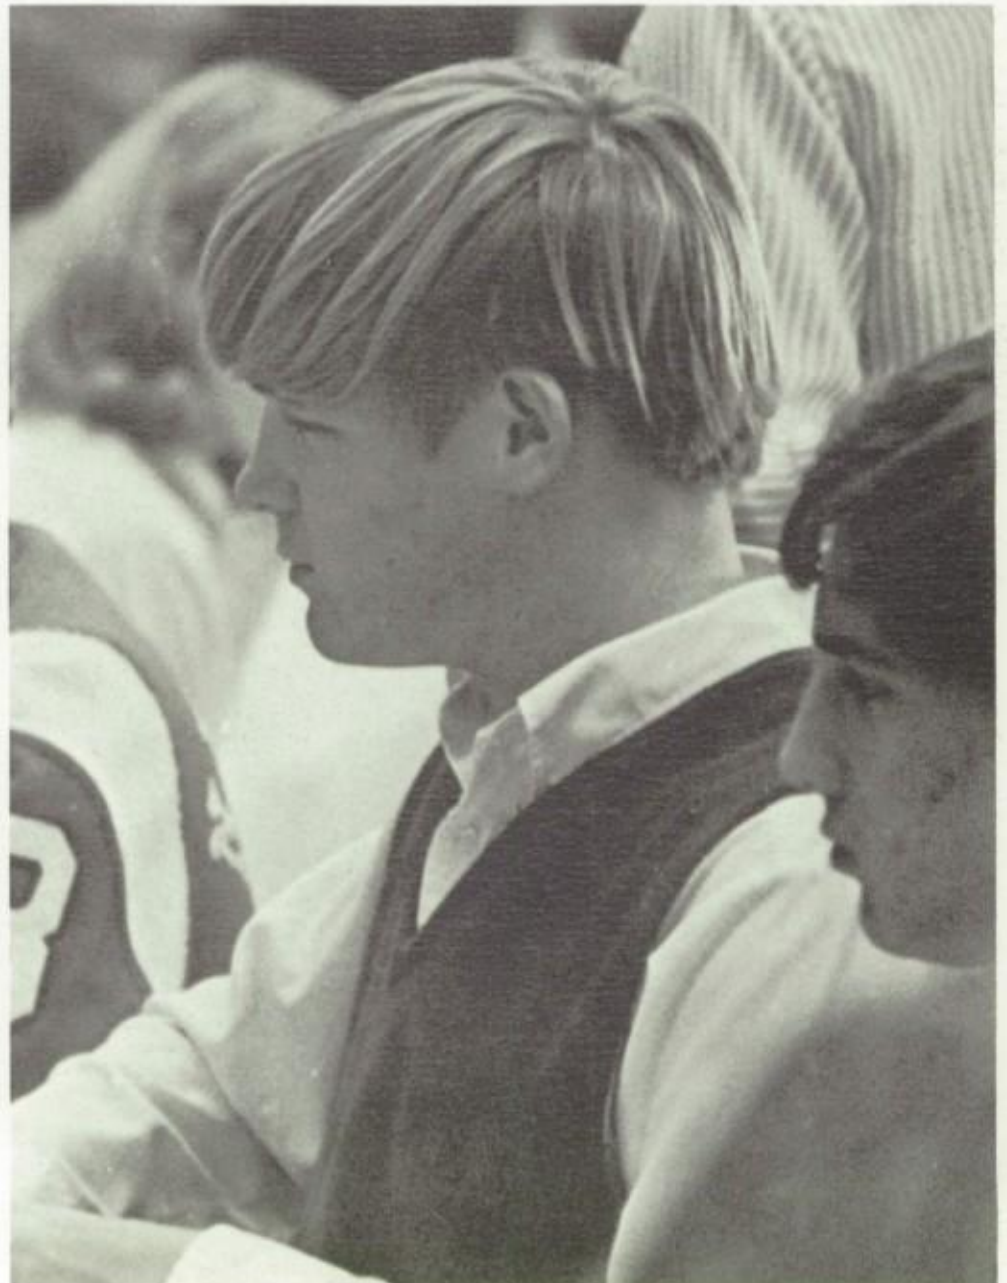

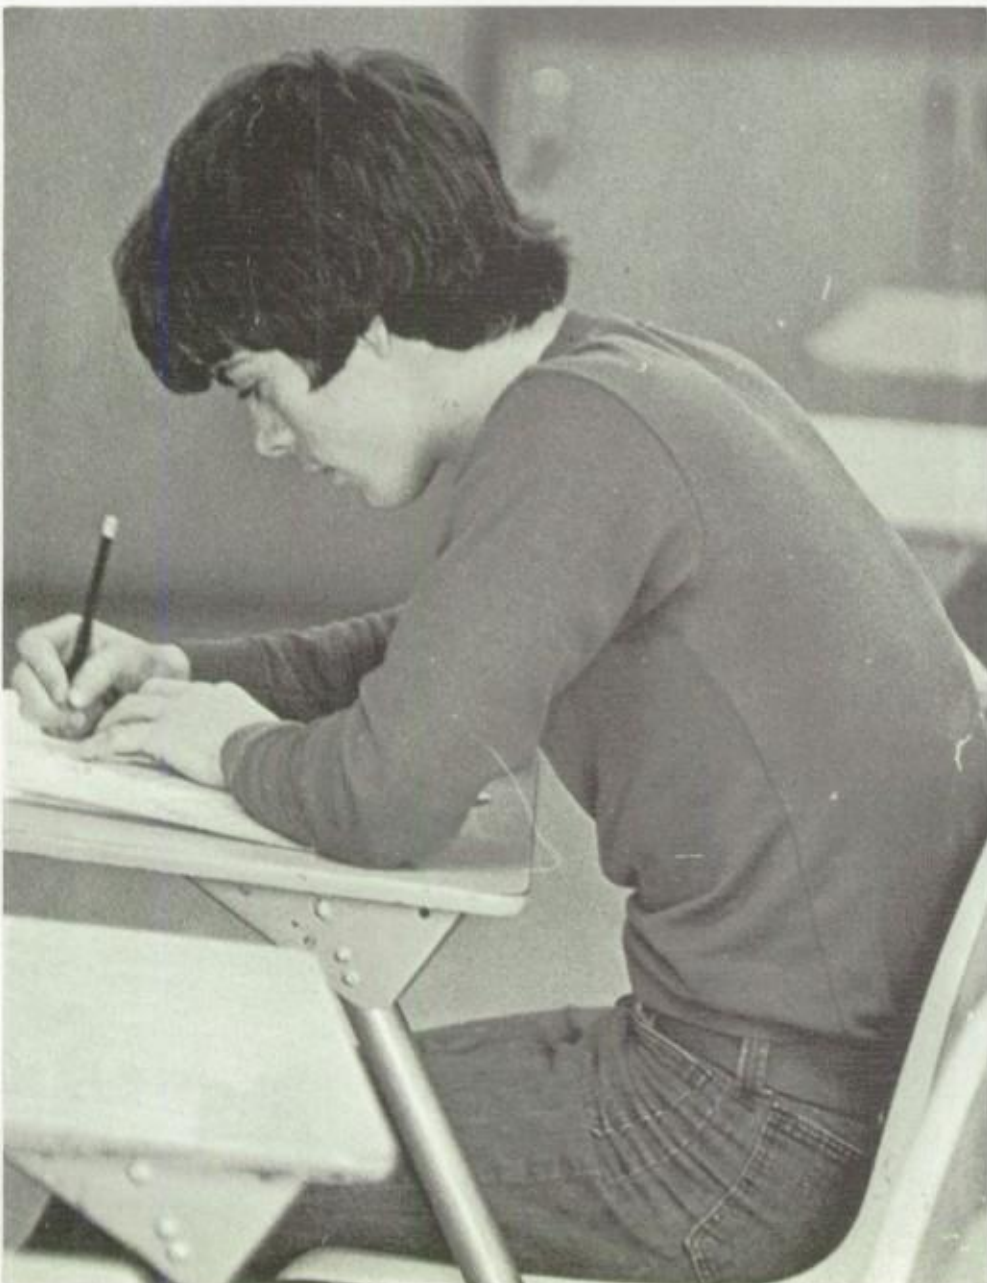

You are the most important person in your life. Everything should show it.

Each day is filled with thought because thinking is habit-forming.

To some people involvement is just
an excuse to get out of doing some-
thing they don't want to do.

The First Day of the Rest of Your Life
could be:

Everyday

When you get all A's

When you were born

When you get your first pay check

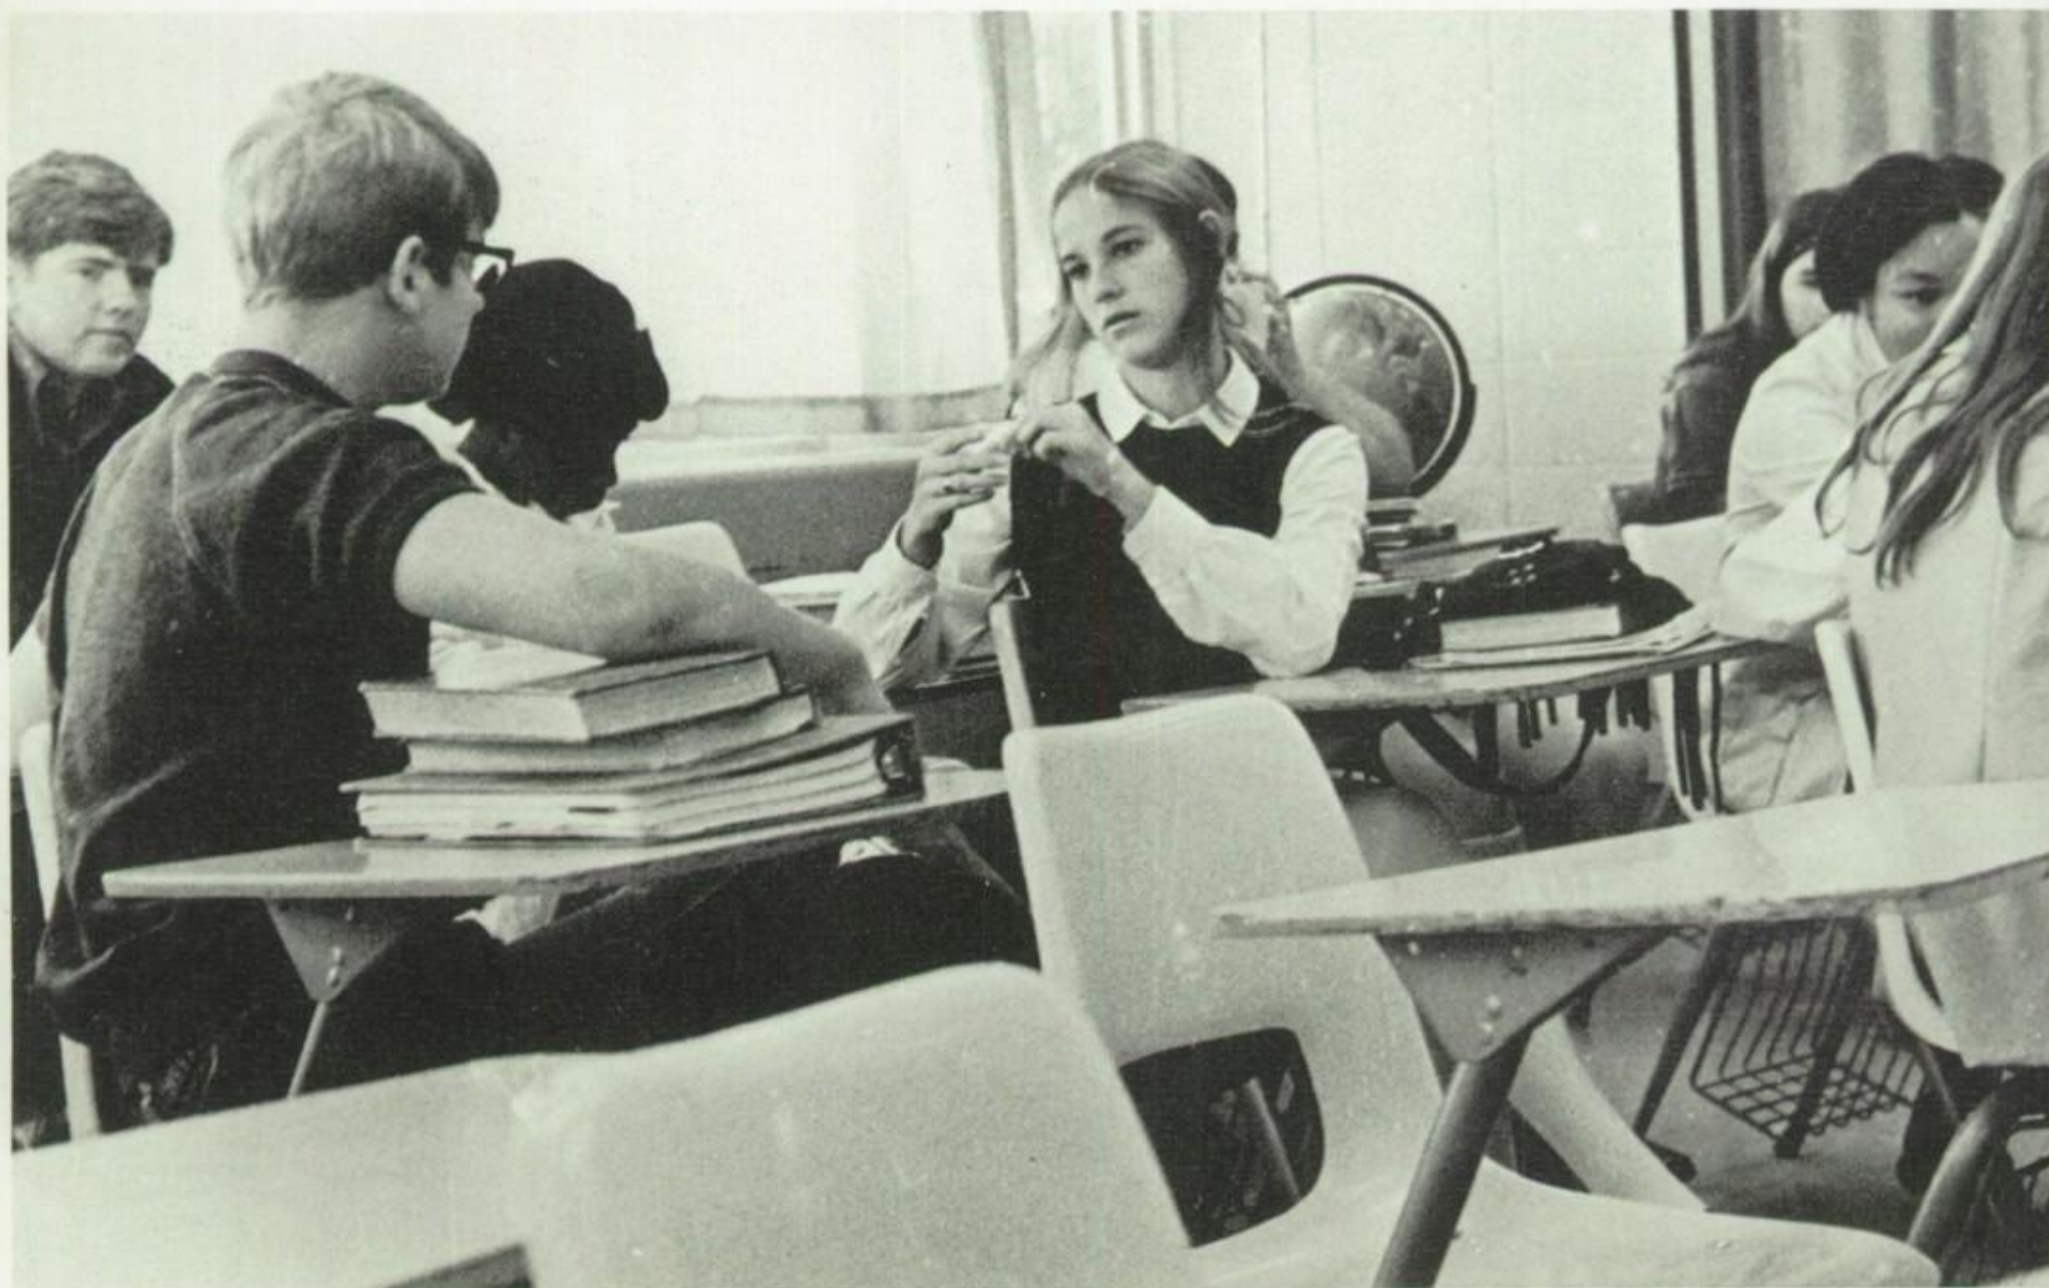

When you start shaving every day

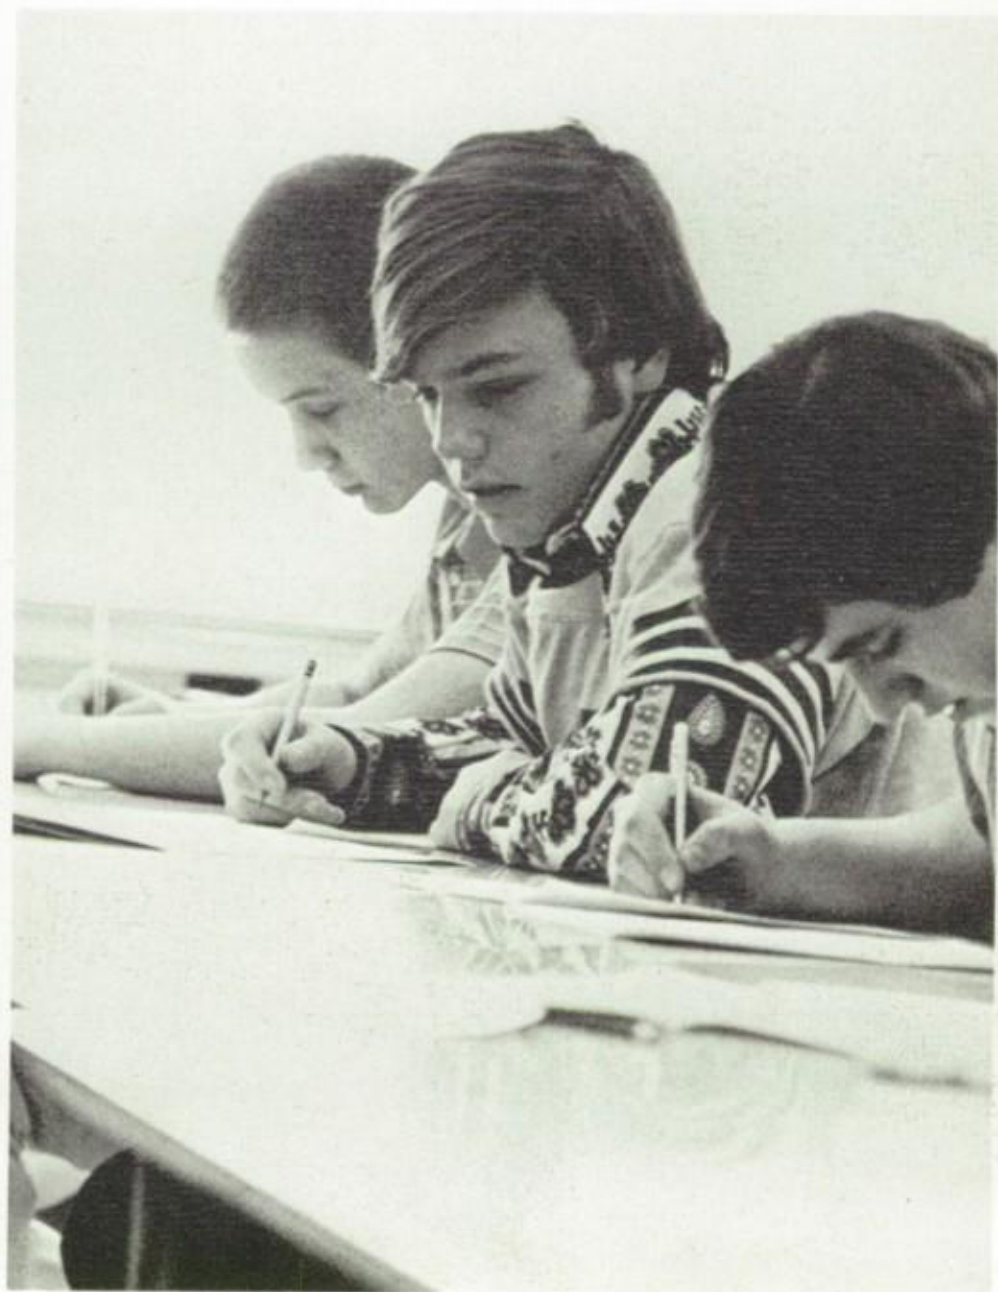

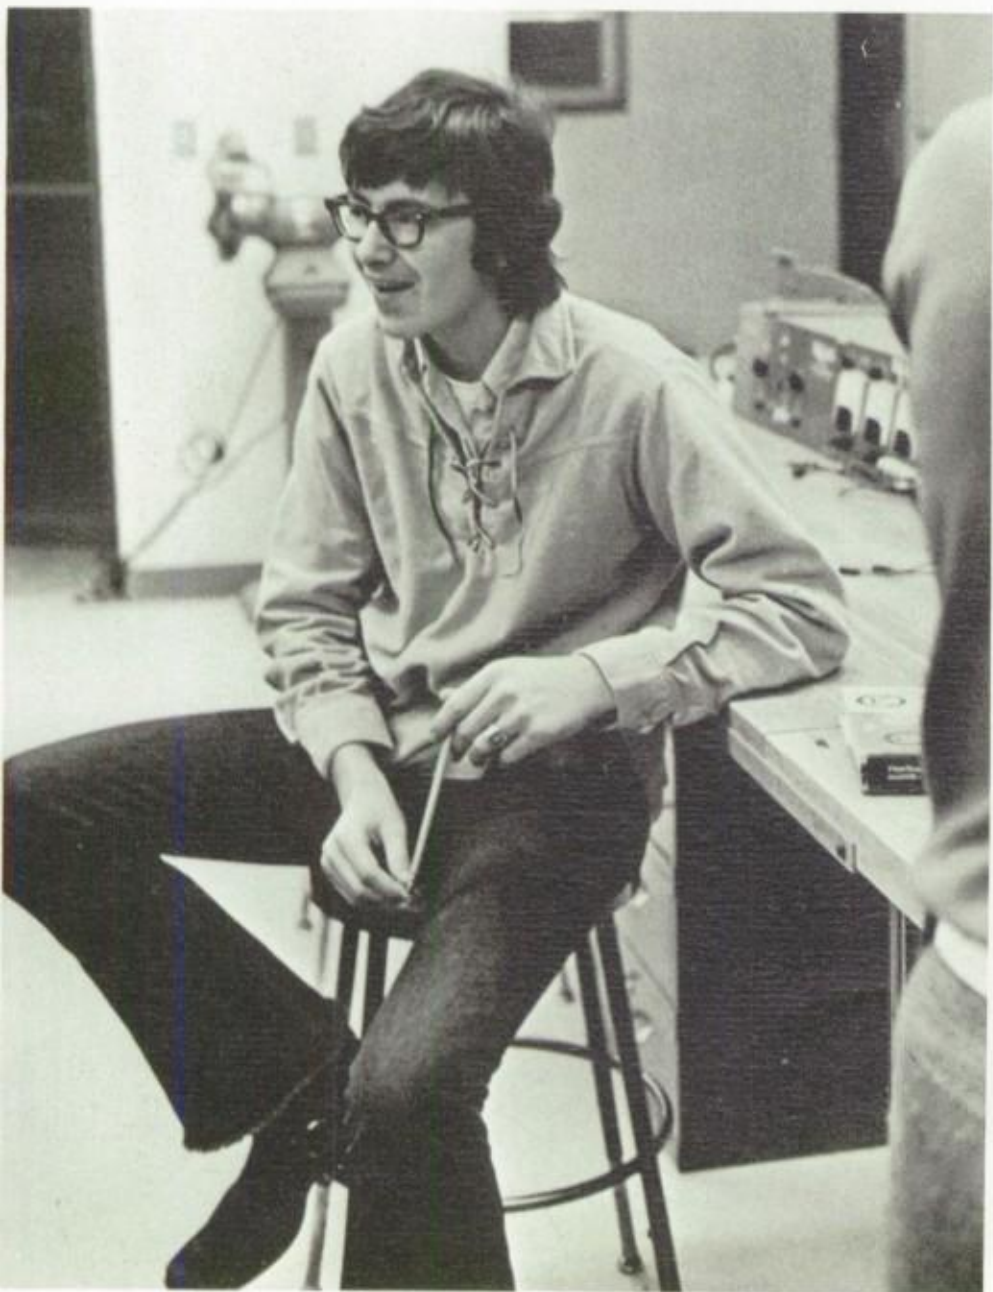

When you wish you knew.

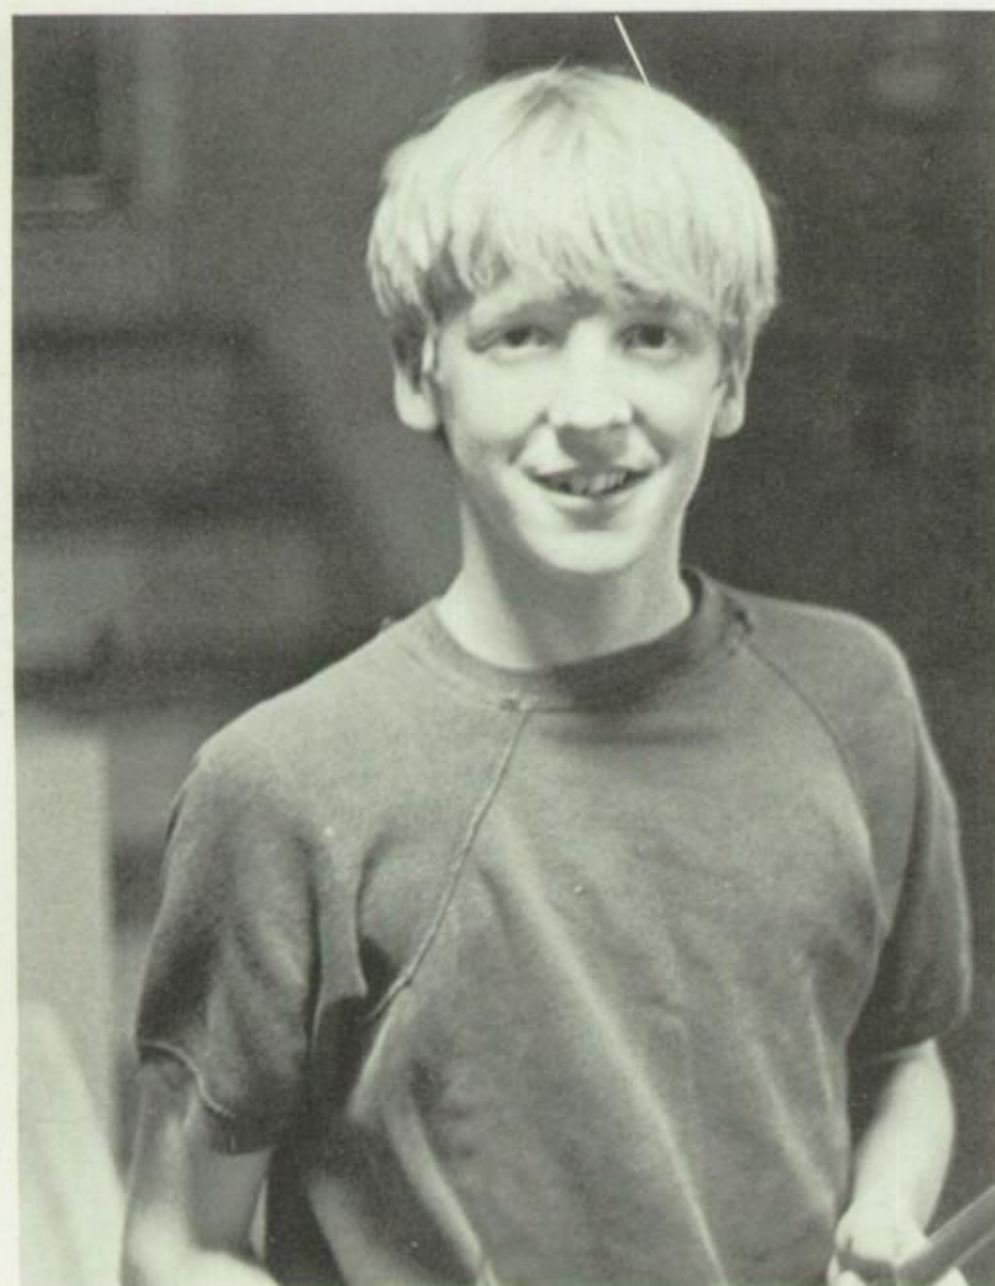

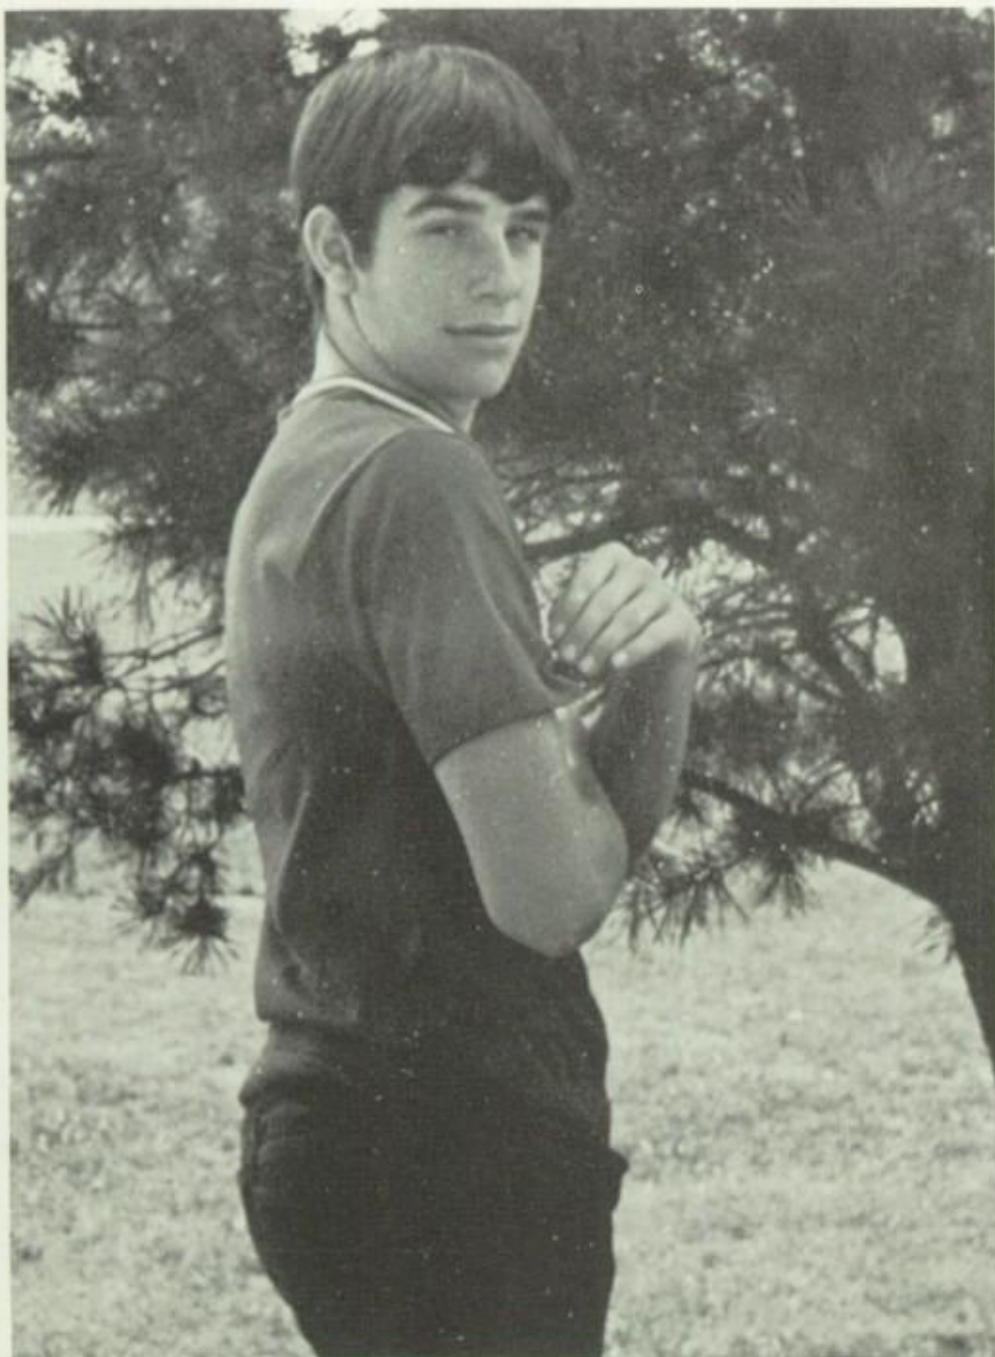

As your life continues, many other experi-
ences may serve as the beginning of your life.

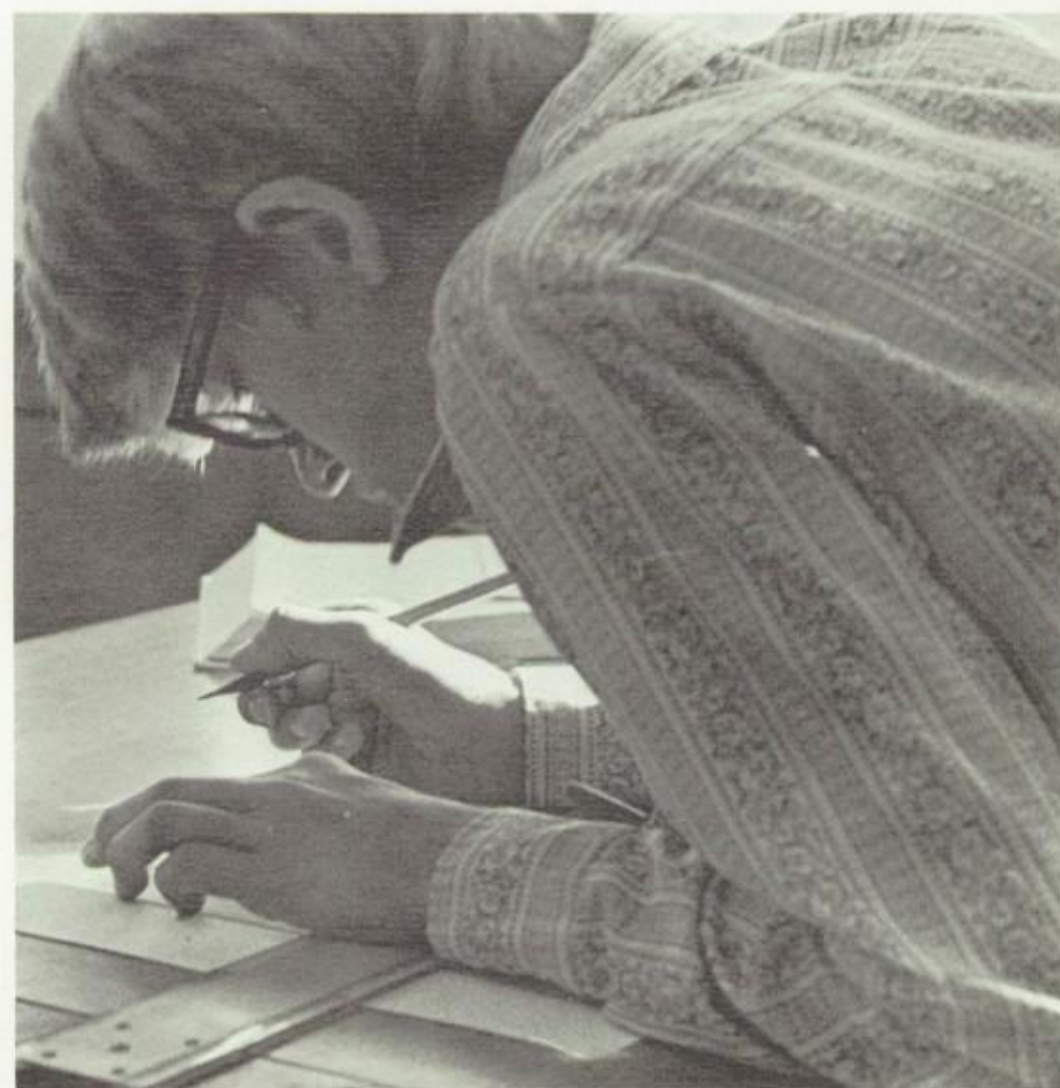

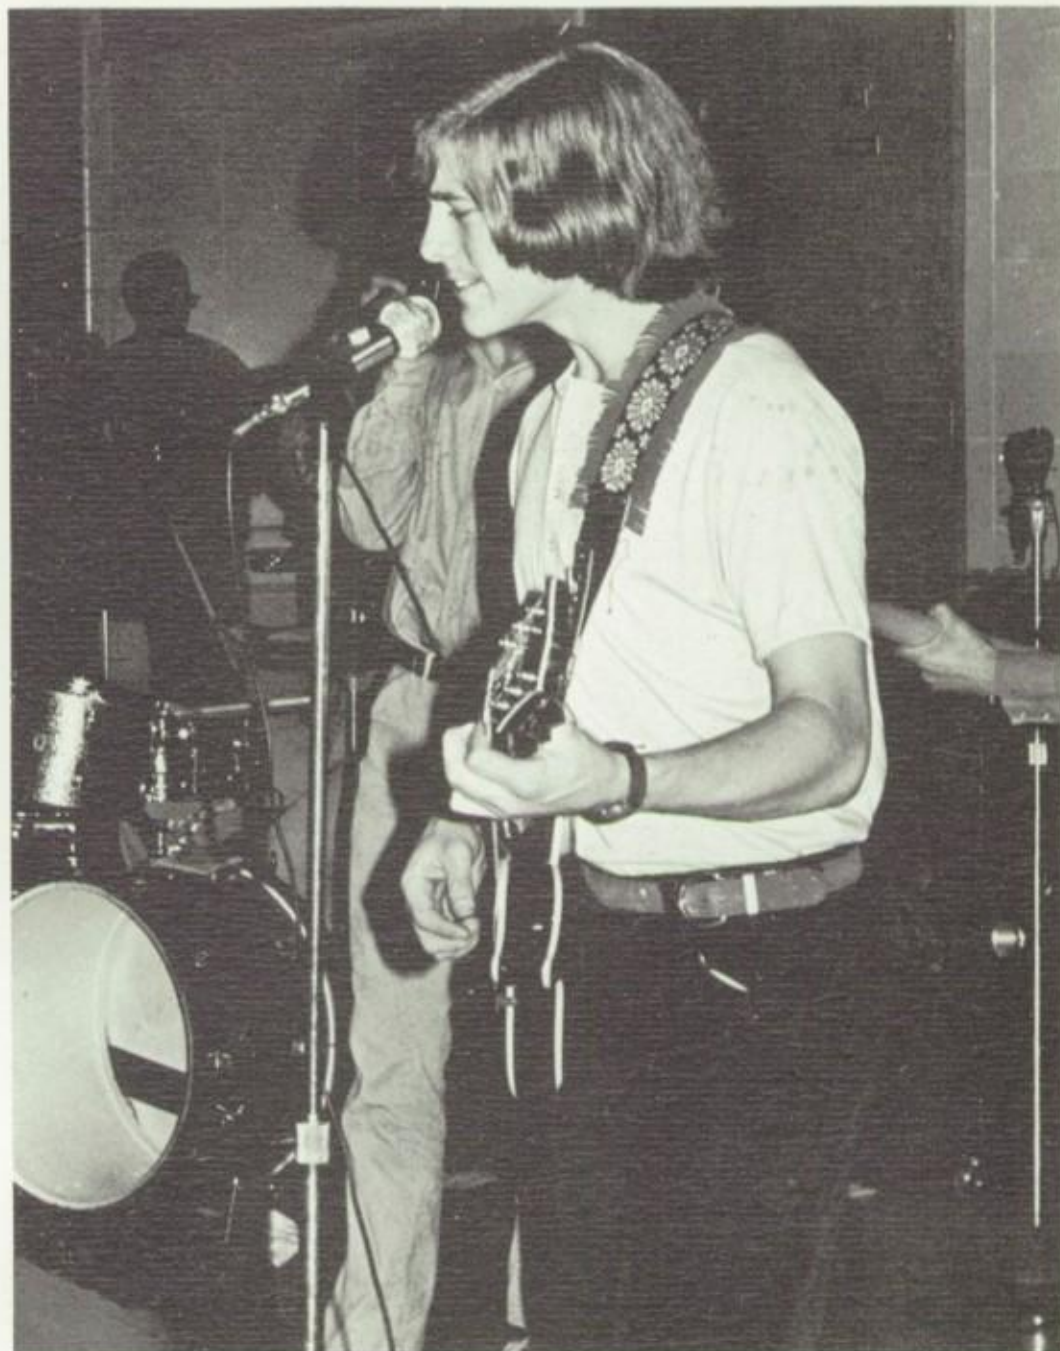

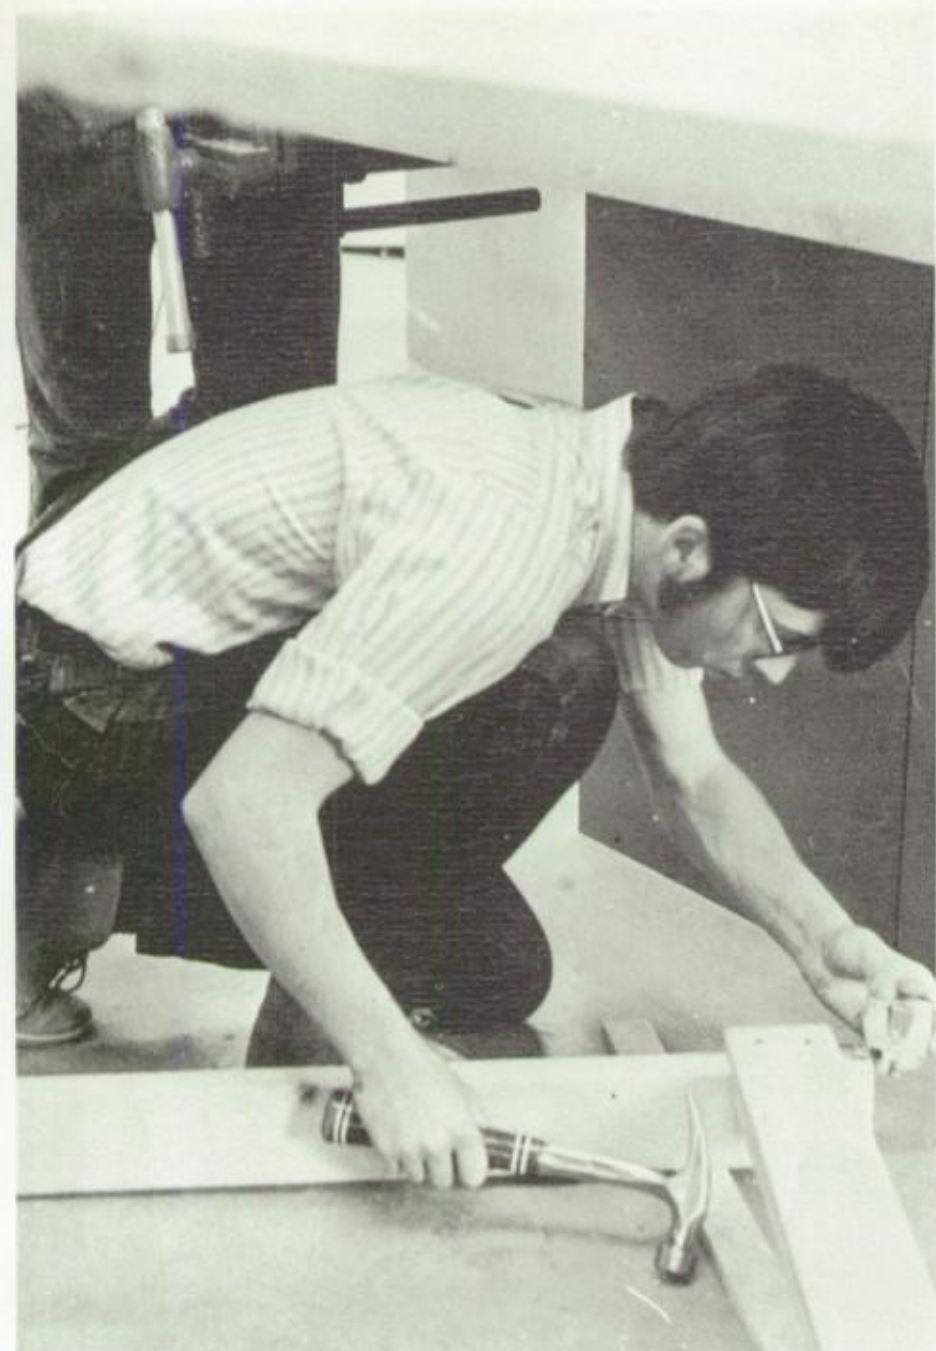

We all make mistakes, but then
there's always tomorrow to start
over again.

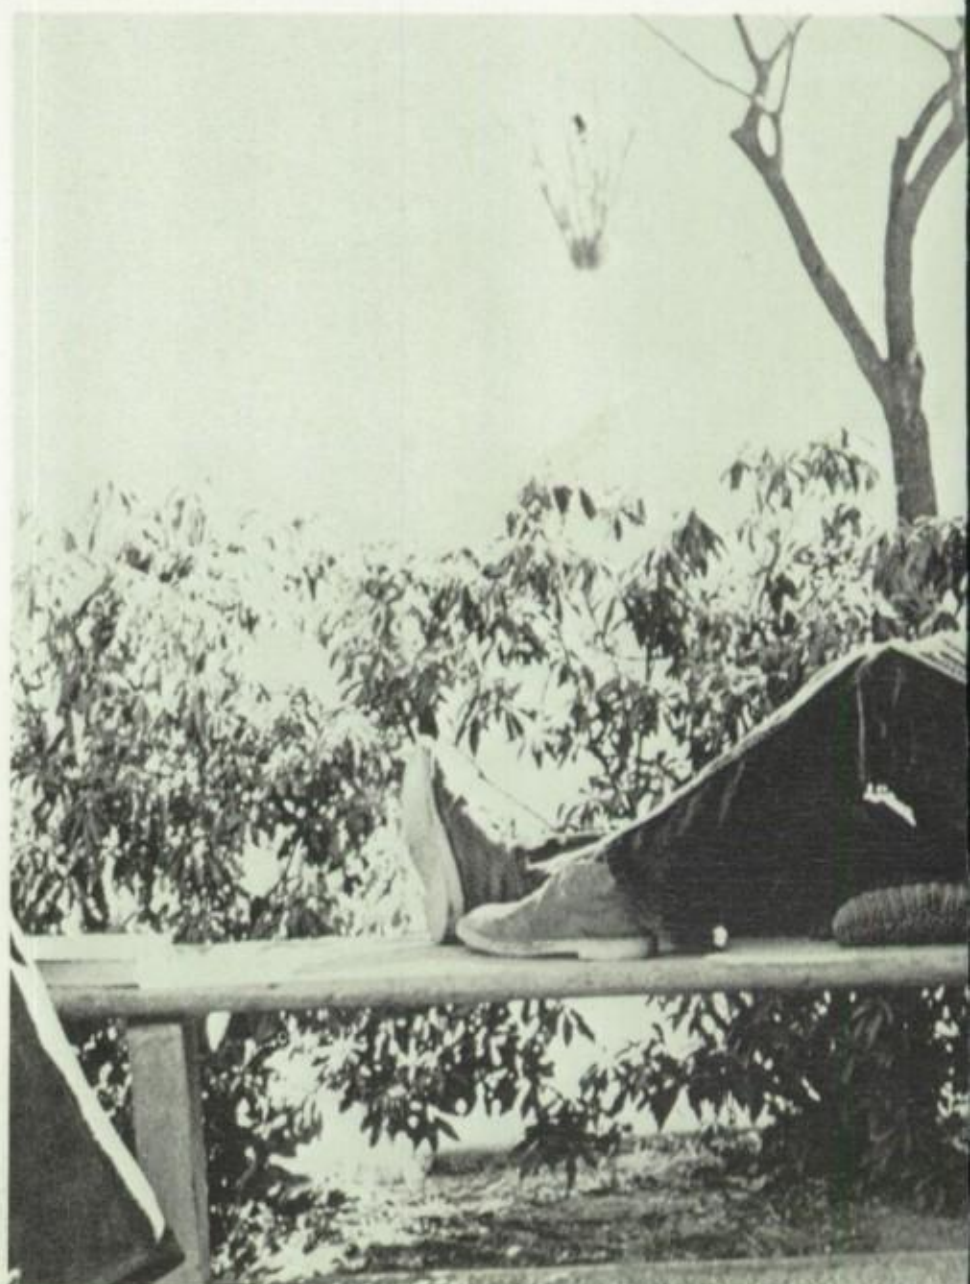

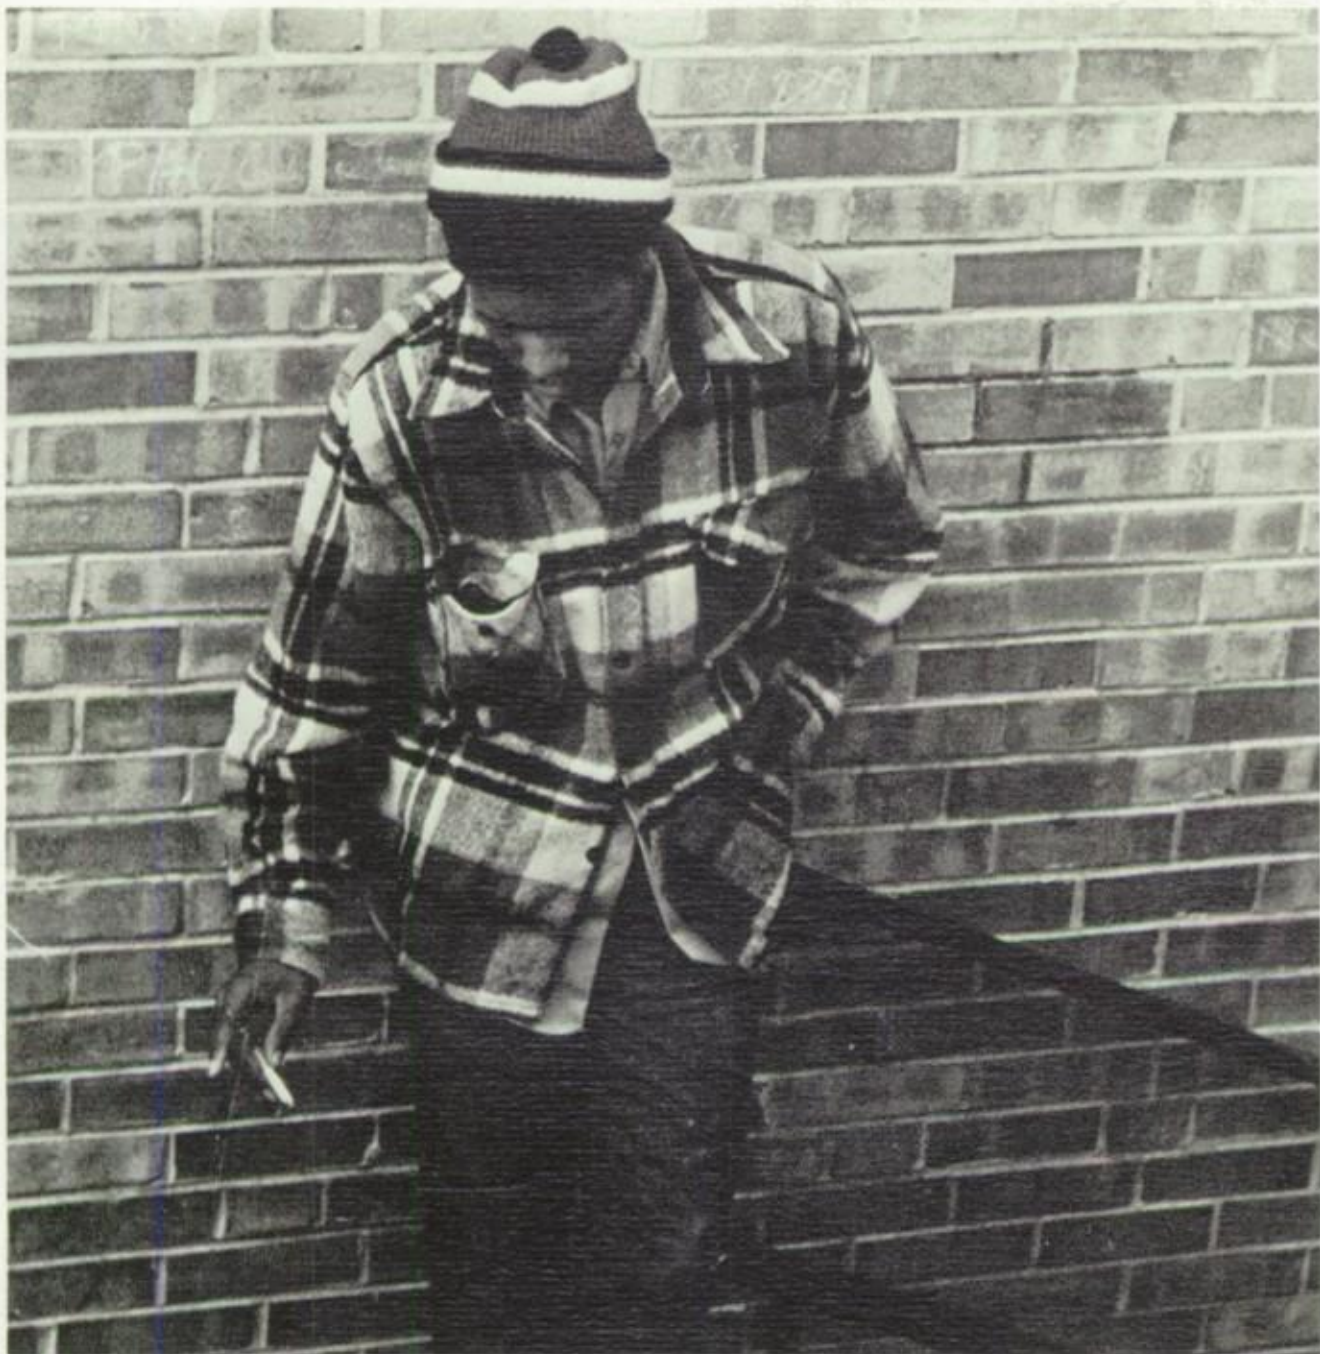

Eyes can express the happiness and sadness of life, so look at each day carefully.

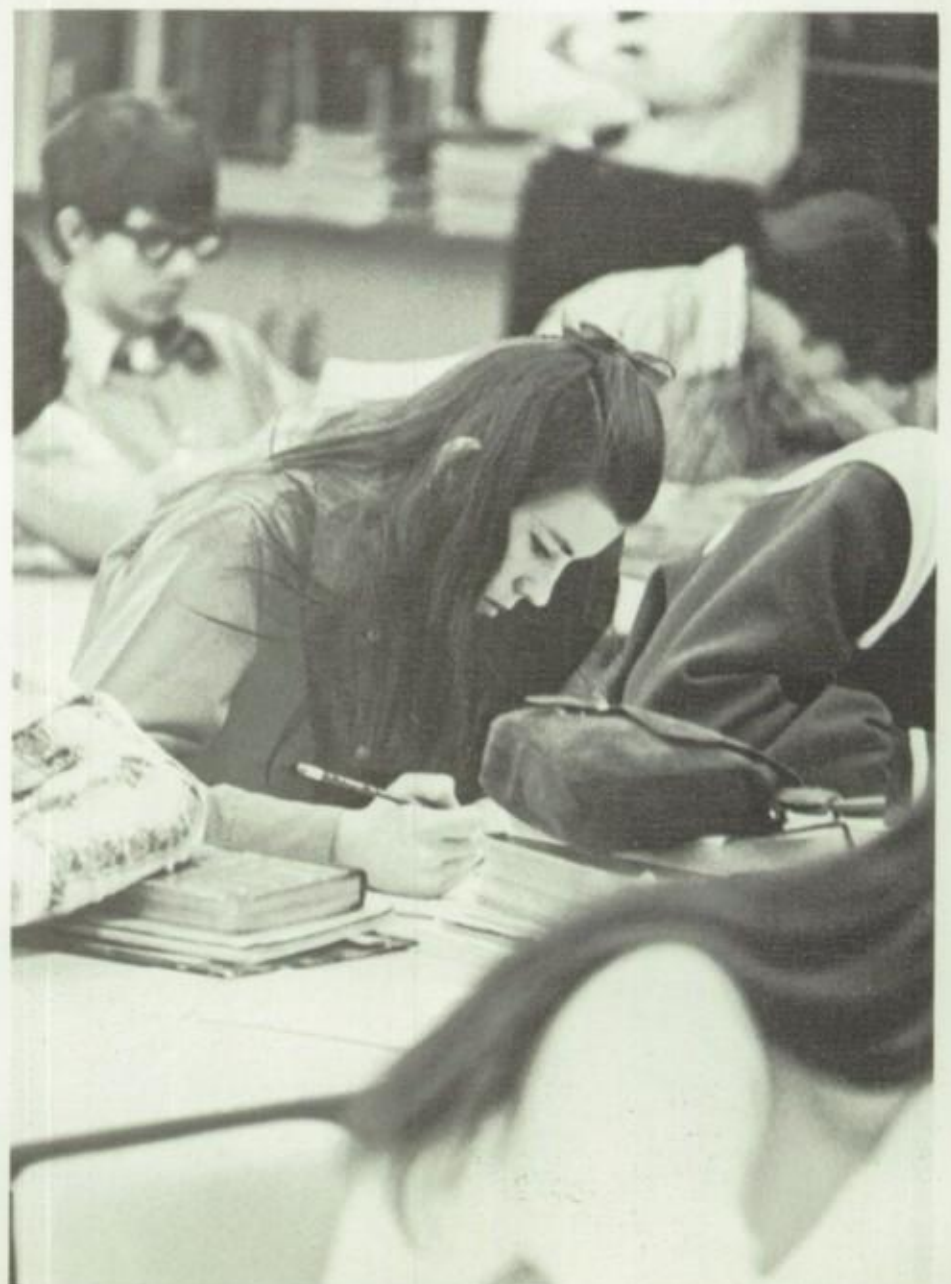

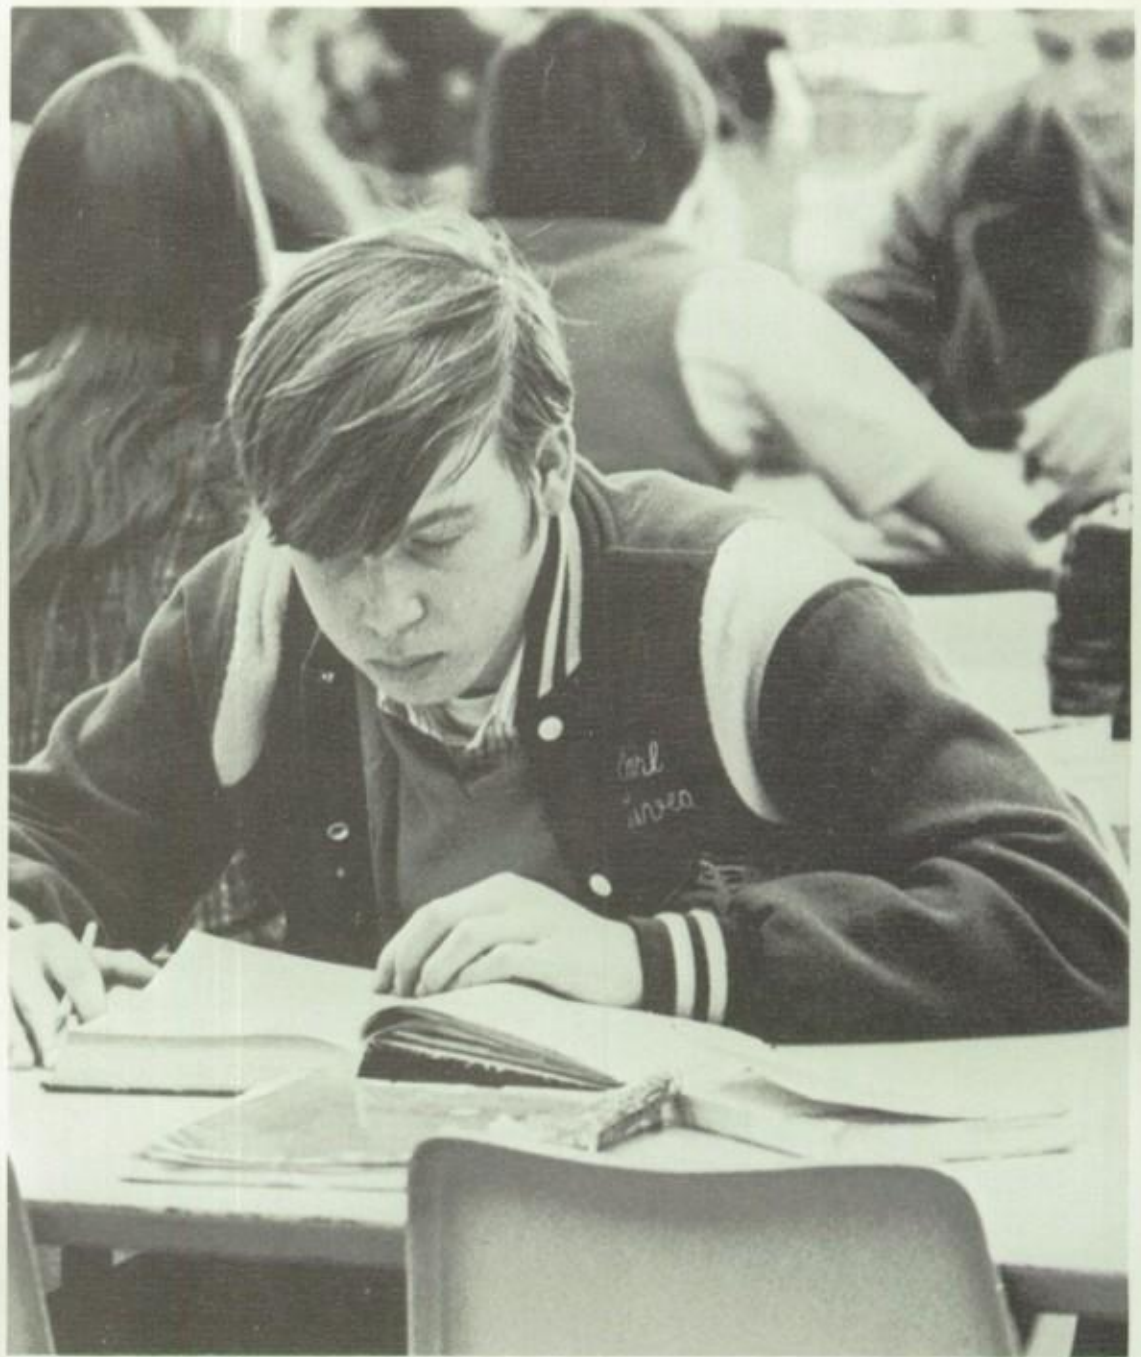

Skills develop both your perception and coordination, both of which are needed everyday.

Try to find yourself before you
do something that can't be
undone.

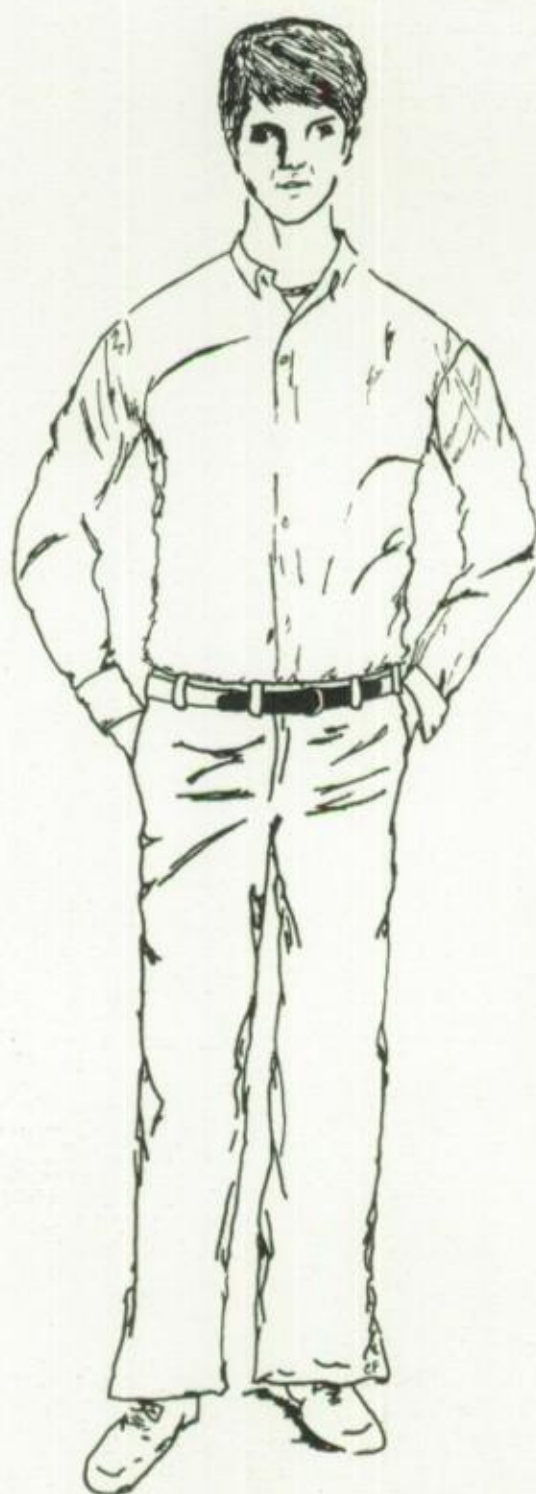

Yesterday is done, today is here,
will tomorrow come?

To some Freshmen, their lives begin when:
They find out how different they were from what
they wanted to be.
They start living their life to the fullest.
Today.
They help someone that hurt.
They become really happy.

Central Happenings

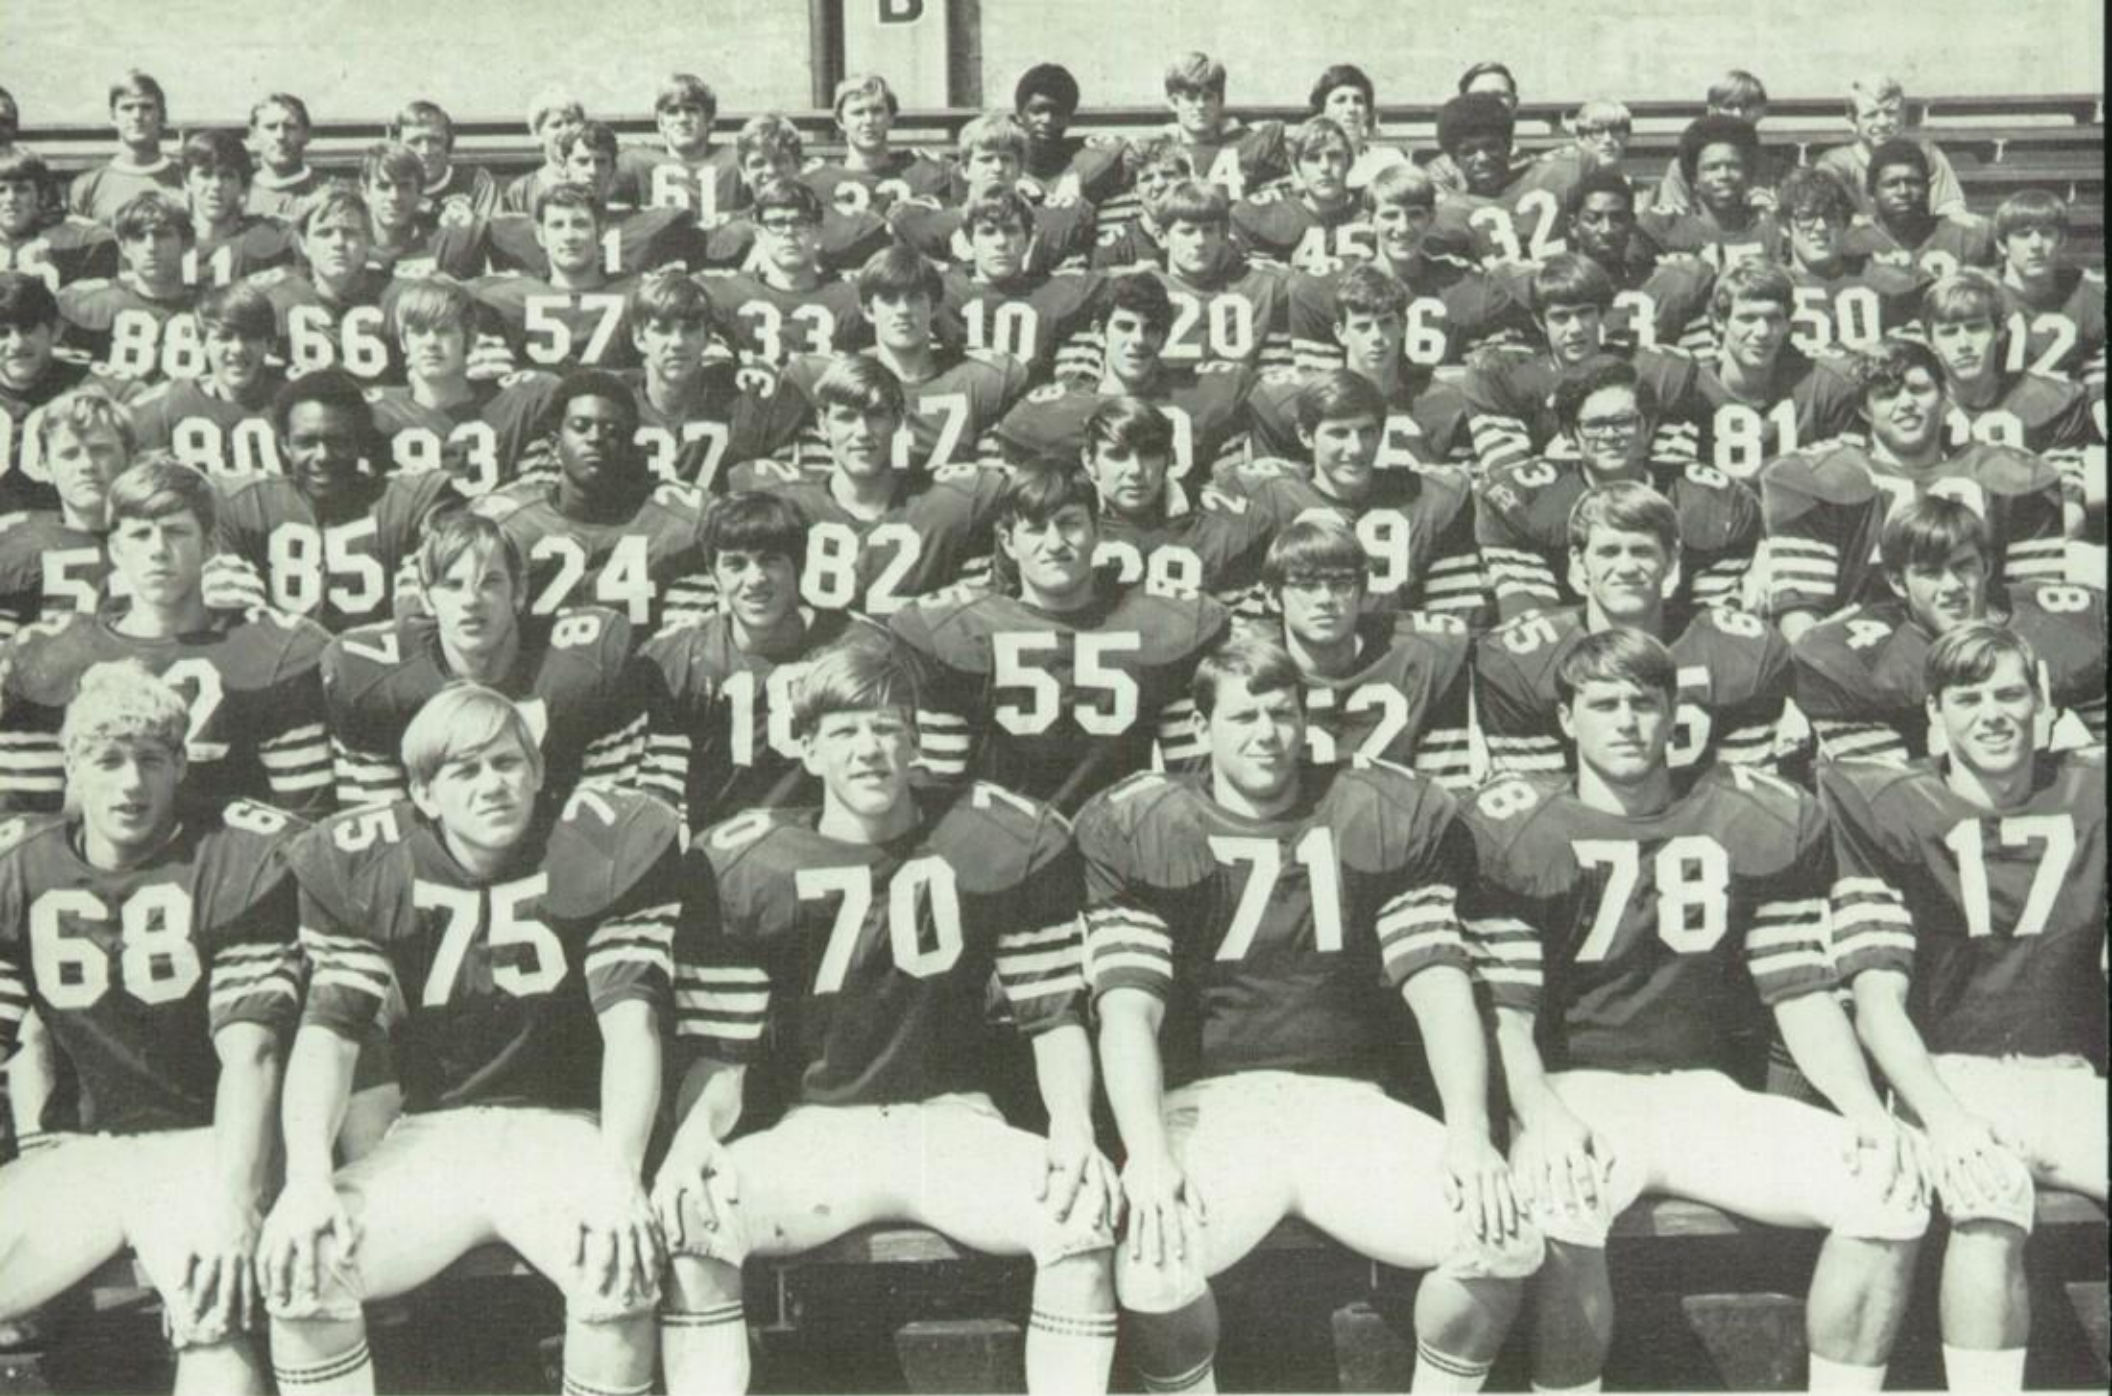

1. The ninth grade science students are being taught by using an individualized audio-tutorial method which permits students to work at their individual rate.
2. The bell schedule has been altered for this school year. Instead of the usual eight class day we now have seven classes of fifty minutes plus lunch. The bells have been eliminated between classes.
3. From November thru April a noon time intramural program provides activities thru homeroom basketball. Fifteen homeroom teams involve some 125 boys in a round-robin schedule.
4. A new tumbling and wrestling (regulation) mat will be utilized in physical education classes with the possibility of starting a wrestling team.
5. The Junior High School Drama Festival Award, sponsored by Newark High School Drama Department, rests in our trophy case since winning it in the spring. It is a traveling trophy and we will be working hard in order to keep it for another year.

Toledo Waite, as felt by Coach Starr, was one of the better played games won by the 'Cats. Marietta and Zanesville were also a couple of the best COL games Newark played. Coach Starr considers football as a game of third downs, and many times it was the third down that saved the game. Fumbles did hurt the game, but "Hoss" attributes the few losses mainly to loss of momentum, missed tackles and missed blocks. He feels this has been his best team. He is losing many seniors this year including Jeff Baker, who made thirteenth all State AAA offensive guard, Tom Parker, honorable mention in the state for defensive end, and Cecil Snow, first team all COL defensive back. Jeff and Tom were also first team all COL respectively. Returning next year on the line will be Tom Glover, Rob Hall and Jeff Lanning. Newark will be losing its defensive secondary and some of the defensive line. The offensive backs will return. Coach Starr is quite confident about next year's team.

This year the Cross Country team finished in fourth place in the COL. This was a disappointment to Coach Kress, but he is confident next year NHS will have a strong team and more victories. He feels this has been his best team yet and is very satisfied with the overall results. Kress will be losing some seniors, but has enough sophomores to pick up where they left off. Mike Morrison, one of the mighty seniors, topped his high school career, placing second in the district and thirtieth in the state. Although Mike will be gone, Coach Kress feels that junior Scott Winegardner can take his place. Sophomores Bob Simpson and John Berens lettered along with junior Joe Walker.

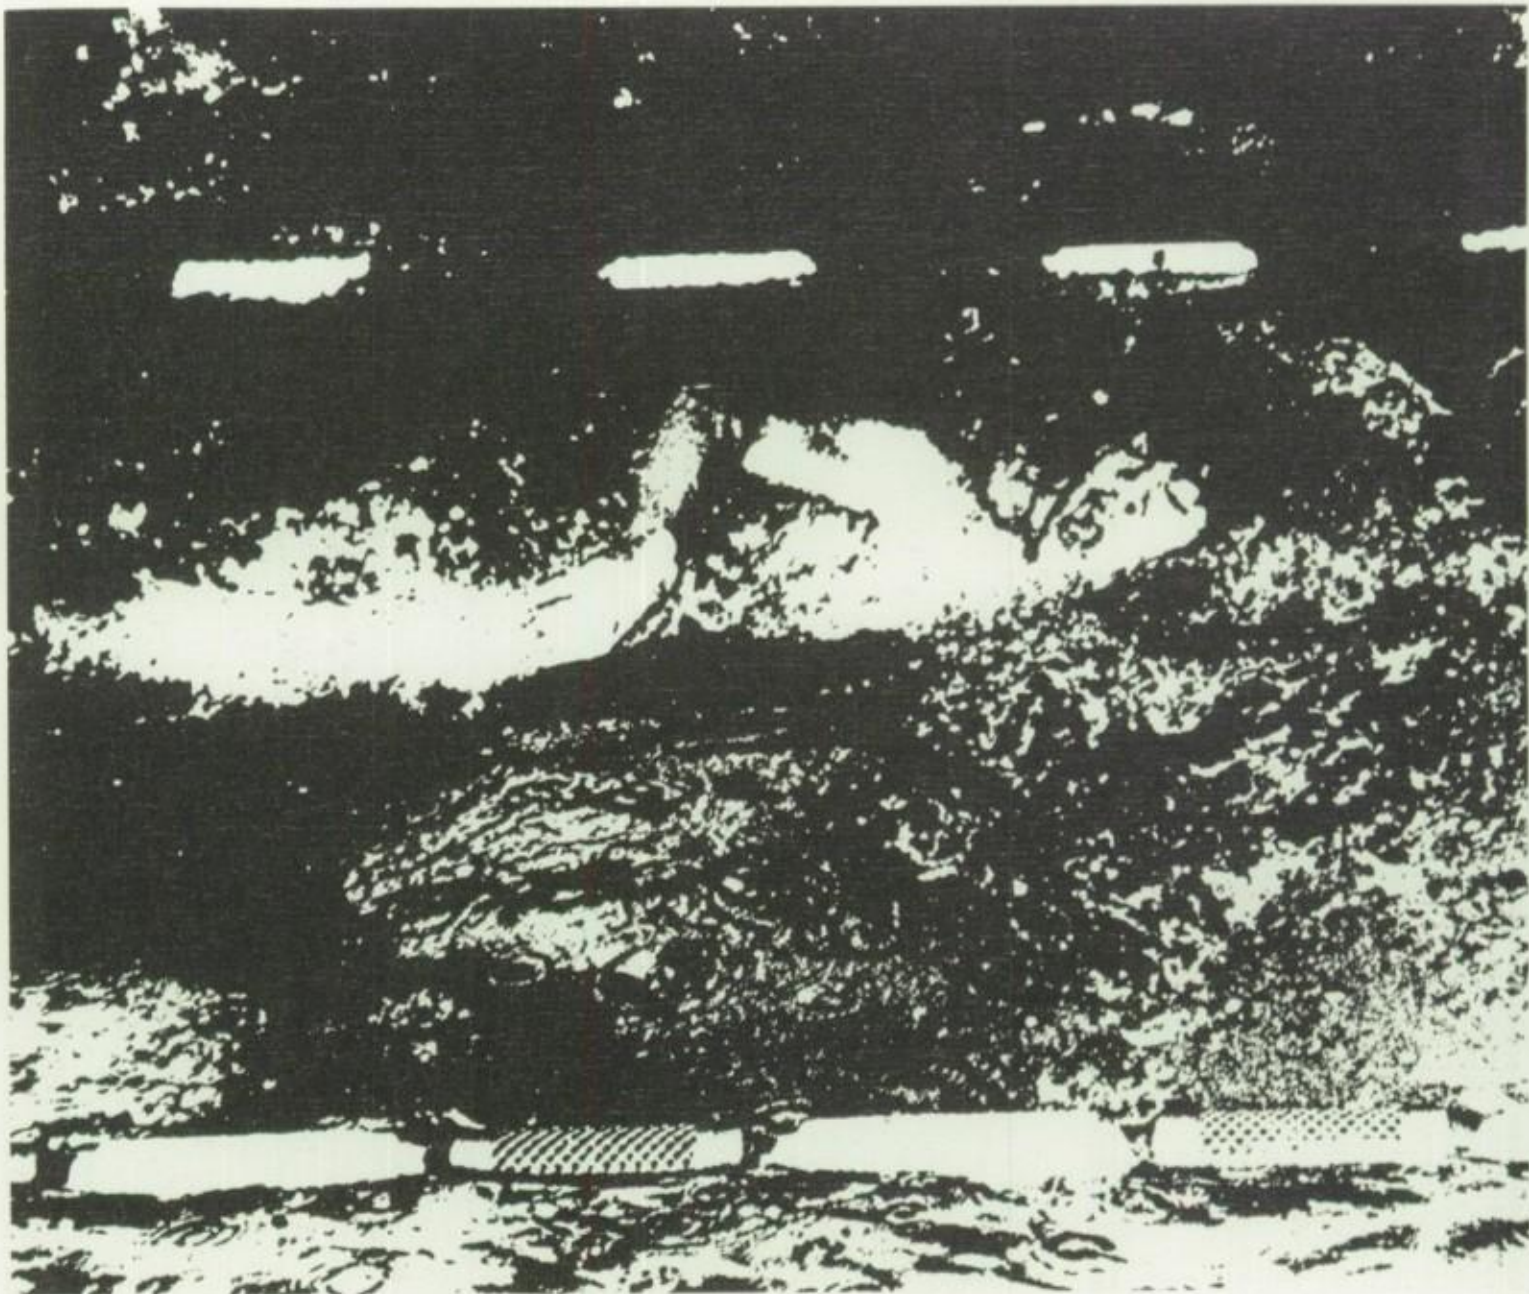

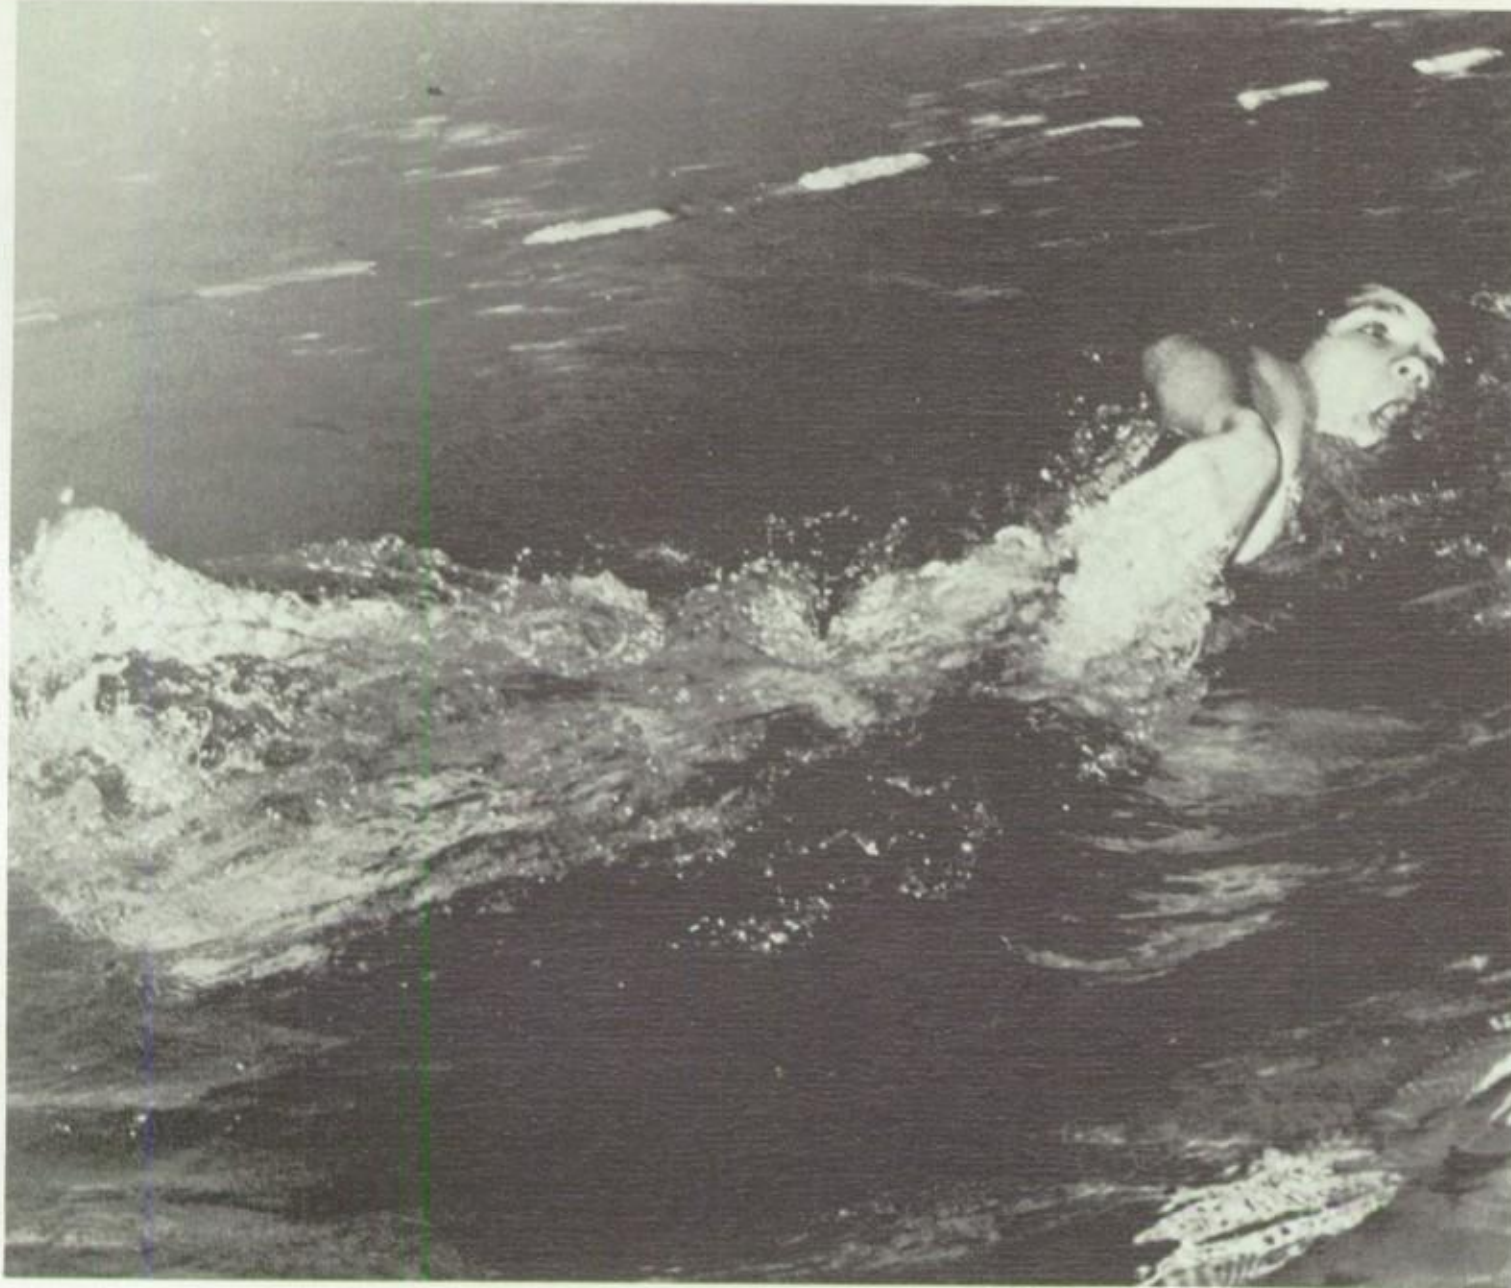

First Row: Coach Fred Ciminello, Larry Swank, Elbert Holmberg, Kim Miller, Rob Payette, Steve Mills, Steve Wells, Greg Litwiller. Third Row: Dave Fisher, Gary Boring, Tim Cain, Bruce Wells, John Holmberg, Chris Lucas, Monte Landis, Mark Weakley, Mike Courson.

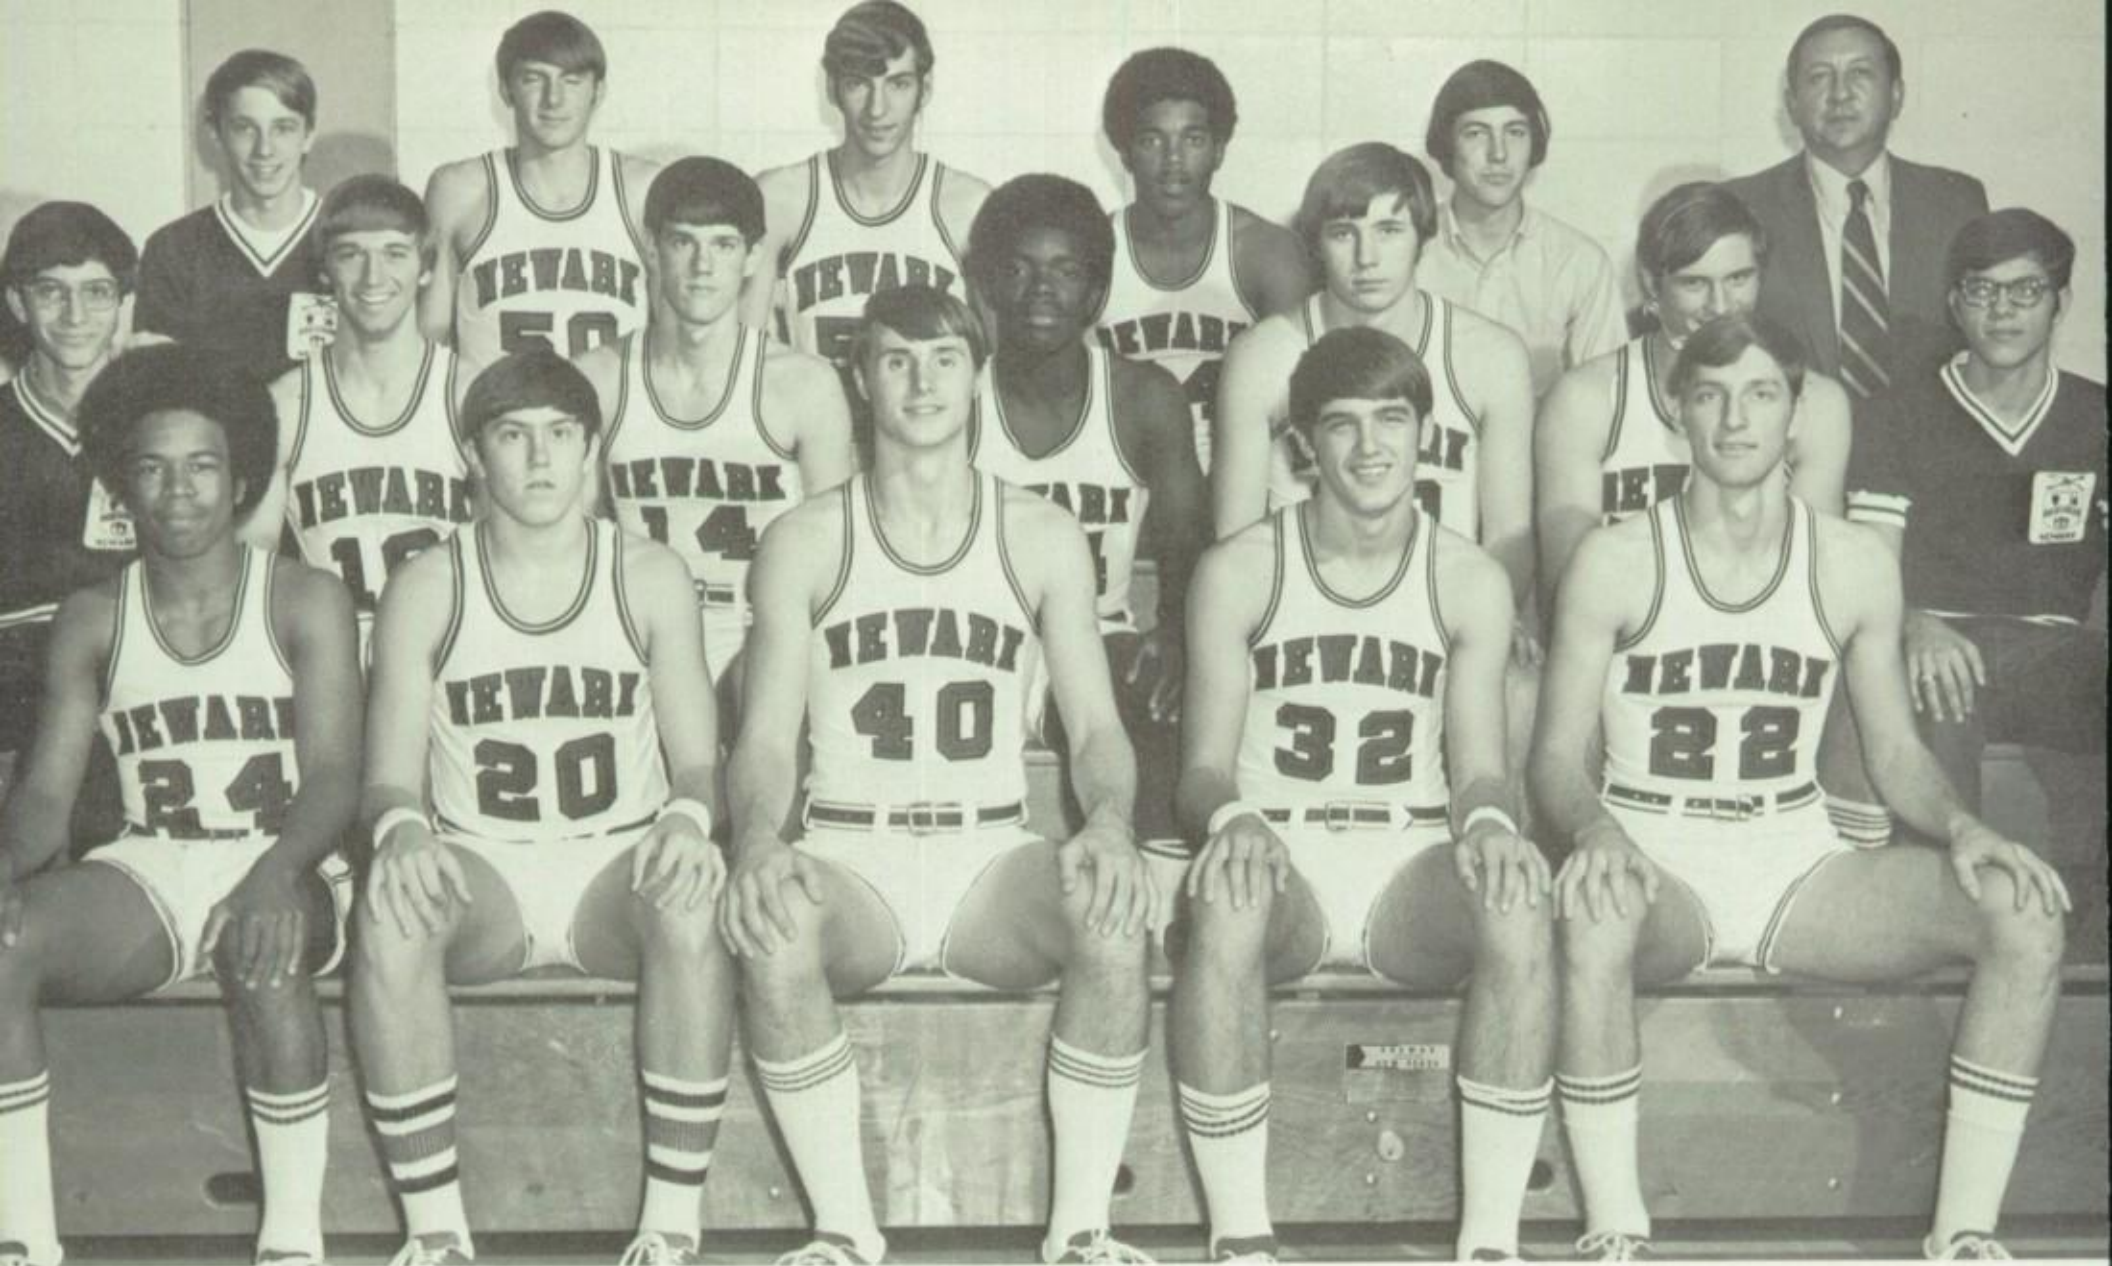

"A very good year," remarked Mr. Cimmanello about the 1971-72 swim team. Newark's Aquacats will be losing seven seniors upon graduation. Among these are Steve Wells with eleven individual first place wins, Kim Miller with nine, Greg Litwiller with eight and Rob Payette with four. Although they will be losing these contenders, they will have seven returning lettermen (Scott Winegardner, Skip Dirshem, Jim Jacobs, Dave Hall, Dwight Saunders, Bruce Wells, and Chris Lucas). Scott Winegardner was the Aquacats point leader with 82, Steve Wells second with 79, and Bruce Wells third with 78. Coach Cimanello feels Newark should have a strong team next year judging from his first and second place winners. Second place winners include Bruce Wells, with thirteen individual wins, Scott Winegardner with twelve, Dwight Saunders with twelve, and Skip Dershem with nine wins. Newark finished third in the C.O.L. below Upper Arlington and Marietta. Lancaster and Zanesville placed under Newark. The Aquacats also participated in the Mike Gregory Relays at Dennison and placed sixth. In the Mansfield Relays they placed fifth and in their District meet placed ninth.

The basketball team this year ended their regular season with a 10-8 record. The basketball team has won the C.O.L. Championship ever since the second year Coach Schenk has been here, until now. The 'Cats played three games in the tournaments. They first played North then Westland in which they emerged victorious. This was enough for the 'Cats to win the Sectional Title. In their third tournament game the 'Cats played well and were ahead most of the game, but the defending State Champion Walnut Ridge proved to be too much in the closing minutes of the game and defeated the 'Cats 49-44. This year Randy Foster led the 'Cats in total points with 382, a game point average of 18.2, 267 rebounds, and 31 assists. Denny Allen followed closely with 30 assists. Lenny Ours had the best shooting average from the floor with 48.3%. Gary Lanning had the lead in free throw with an average of 72%. Newark will be losing only four seniors. They are Dave Parkhill, Keith Leckrone, Lenny Ours, Wayne Steinhoff, and Statistician Rick Schonberg. Newark is expected to have a good season for '72-'73.

Wrestling Team 1971-1972 First Row: Jack Samuels, Mike Dunn, Bill Yost, Jeff Baker, Randy Shaw, Jack Tims, Alan Koontz, Terry Dougan, Coach Leigh Sherman. Second Row: Assistant Coach Jon Varner, Emery Merritt, Jim Hughes, Dave Williams, Steve Deal, Dave Smith, John Glaser, Kevin Ryan, Bruce Gutman, Head Trainer Ken Griffin. Third Row: Chester Hunt, Bob Zarker, Don Scott, Bob Nye, Darrell Patterson, Joe Hatfield, Steve Mitchell, Trainer Scott Austin. Fourth Row: Curtis Green, John Eshelman, Bill Henthorne, Tim Ashton, Vern Walters, Ron Heinz, Rod Blake.

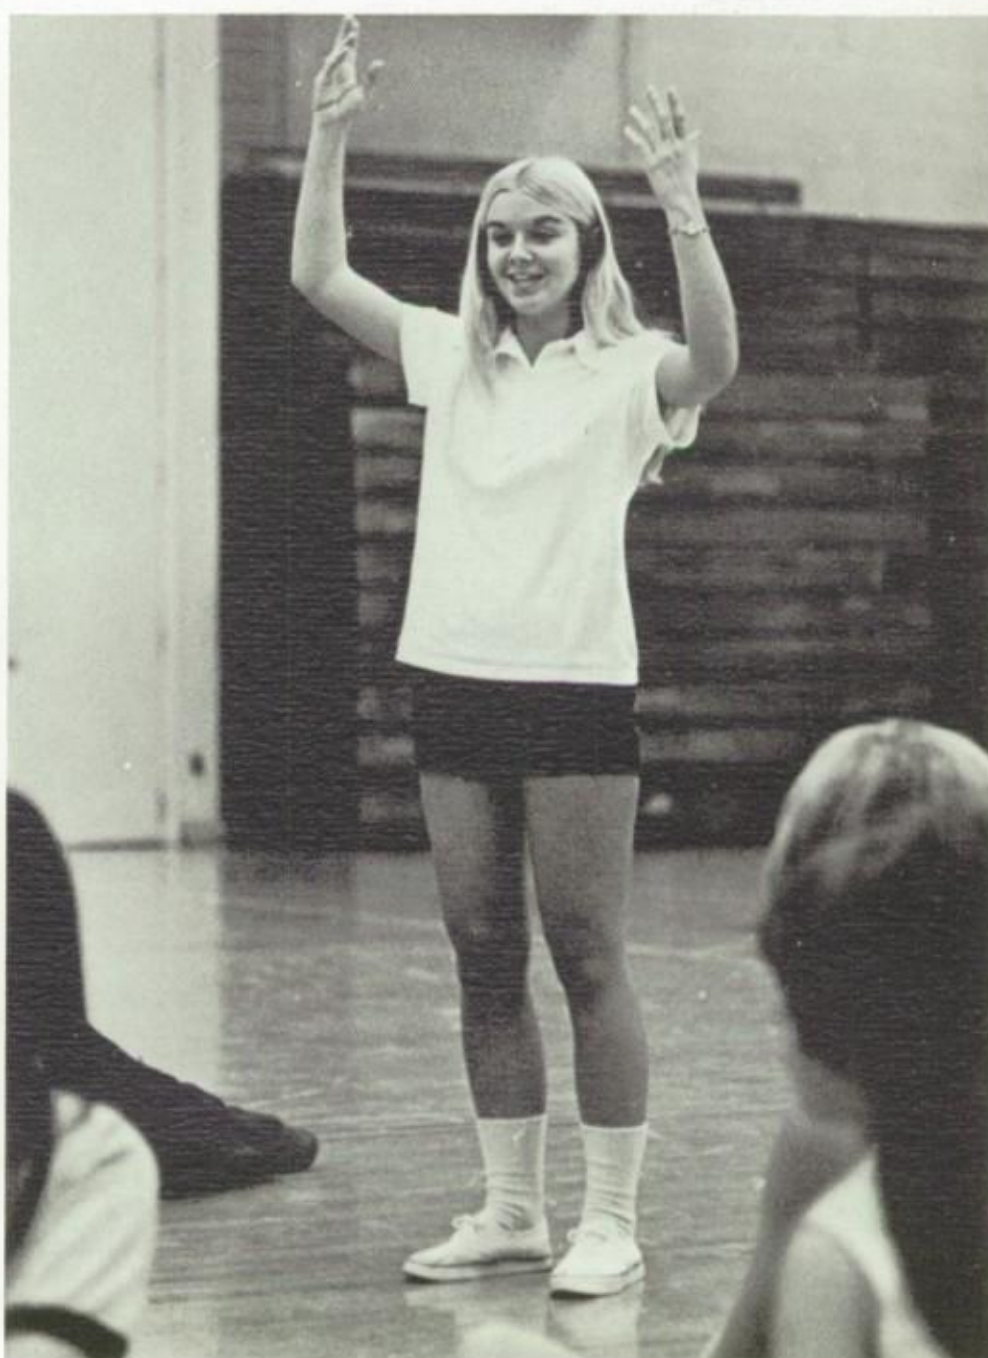

Wrestling: 1972 has been a rewarding year for the Newark Mat Men with a 6-6 record. Newark placed second in the Central Ohio League compared to a humiliating sixth the previous season. Although Newark's overall outcome from the Sectional meet was not Coach Sherman's idea of its potential, they had two members of the squad qualify for the District meet. These were Heavyweight Darrell Patterson and 185 pounder Paul "Cheeks" McPeck. Darrell placed third in that particular meet. Senior Jack Tims had the best team record with nine wins and three losses. Donny Scott, sophomore, had the team's fastest pin, thirty eight seconds. Coach Sherman is very confident of the coming years for his Newark Wrestling team because of the strong underclassmen. Donny Scott, with thirty-three team points, Jack Samuels with twenty-two, Danny Dougan with six, and Kevin Ryan, all Varsity members, will be returning as juniors. Returning Varsity members as Seniors will be Randy Shaw with forty-nine team points (most team points for '71-'72), John Glaser with twenty-one, Dave Williams with fifteen, and Darrell Patterson with twelve. Newark will be losing eight seniors. They are Terry Dougan, Bill Yost, Bruce Gutman, Mike Dunn, Jack Tims, Jeff Baker, Paul McPeck, and Trainer Ken Griffin. Coach Sherman was pleased with this season's team and feels that better turnouts for coming years are expected. This will be promoted by the new junior high program that has been started.

The beginning of the end came to Homecoming '71 as Atlantis was chosen the theme by Homecoming's sponsor, Student Council. Escorts were Doug Henry, Gary Orsborn, Lenny Ours, Wayne Steinhoff, and Dave Wilson. Atlantis came and went and with it many "first day" memories for a small few.

As Dolly Levi once remarked, "Money is like horse manure. It isn't any good unless you spread it around." And so it was with Hello, Dolly, the musical presentation of the Drama and Music Departments, under the direction of Mary Kay Booher and Lu Vaia. Spread abundantly around were good songs, good actors and actresses, good music, excellent sets, and good fun. Leads were played by Robin Coelho, Al Stanton, Bob Meadows, Jim Glaser, Linda Bartlett, Lissa Fannin, Ann Sheppard, Mark Nally, Dana Herreman and Jay Martin. Crew heads included Jackie Riley, Becky Hohl, Bob Maidel, Cindy Bowden, Cindy Deal, Robin Pfeffer, Margaretta Brede, Carla Varasso, Barb Goodin and Dave Gambrel. A "first day" came for many who participated in Hello, Dolly as performers or back stage technicians.

An air of festivity filled the NHS gymnasium as it swung open its doors for the third annual "Mardi Gras" festival. The festive affair held this year on Saturday, February 19, began at 7:30 p.m. and ended as a well-rounded success at 11:30 p.m.

Highlights of the affair were: the rock band, Majadm; two senior girls buying a couple ticket; the roulette casino, where daring NHS gamblers tried their luck; dart game, where you tried to hit the balloons, not the people; pizza booth; "Snoopy's Place", a snack bar; the haunted house, if you dared to enter; popcorn booth; Rent-a-Slave; a jail, where you could get your friend, (or enemies) arrested for a small fee; fortune tellers; and a mini-theater where you could see ole-fashioned flicks.

Future Nurses received the first prize award for their snack bar, "Snoopy's Place". Other clubs sponsoring booths were: Cup and Chaucer, Deca III, Future Nurses, Future Secretaries, Future Teachers, Latin Club, Reveille, and Y-Teens, Key Club sponsored the festival and set up booths for the various clubs.

Mardi Gras can be labeled a success and another "first" in the 1971-1972 school year.

Each one of you has received more than \$5000.00 from the citizens of this community. They have dug into their pockets to spend more than \$5000.00 for your twelve years of public education. What do they ask in return? Simply that you use it wisely wherever you go. Do your share to keep our country strong and free. And remember, you *owe* the coming generation their right to a good education.

Best Wishes from,
Your Sound Citizen in Licking County
